Voting Machines Seen for County

Study Committee to be Named; Updating of Landfill Law Urged

Madison county may have voting machines by the next general election, according to a favorable vote to form a study committee received at a meeting of the Madison county board of supervisors Wednesday morning.

Use of the mechanical devices was urged by Miss E. Italia Hotz, Madison county clerk and a member of the state electoral commission. She noted that in the general election last November 120,000 persons were registered to vote, 102,771 cast ballots and the population is increasing, causing long delays in determining outcome of elections in the county.

Harry Briggs, Namekoi township supervisor who is in Chicago recently for a convention and others who have seen new models of the machines said there now is a variety on the market, that they are not difficult to operate and that costs are within reason.

Harold Landolt, board chairman, is to name a committee of five members to study the proposal, the equipment available and costs and to report to the full board.

Weighted Vote Plan
Briggs, legislation committee chairman, reported that the state supervisors recently passed a resolution favoring a weighted vote system in operating county boards to comply with the one-man, one-vote regulation and will urge the State Legislature to adopt permanent legislation.

He said that the Lake county board recently adopted a resolution to operate under the weighted vote plan, and that its legality is to be tested in a friendly court suit.

Landfill Ordinance
Revision of the county's landfill ordinance was urged by Marshall "Zeke" Smith, new assistant state's attorney for civil matters.

He said that the current ordinance, though it has met the purpose in providing landfill regulations, is too vague to enforce. As an example, he quoted a section requiring that a landfill must provide adequate fire fighting equipment, but it does not specify the equipment. Smith also noted that the board that the state appellate court refused to accept a notice of intent to appeal a circuit court decision.

State's Attorney Outlines New Felony Case Policies

A new policy of handling criminal felony cases, which would eliminate many preliminary hearings, warrants, complaints and arrests, was announced at a meeting of the Madison county board of supervisors Wednesday morning by Marshall "Zeke" Smith, new assistant state's attorney for civil matters.

Smith said that a grand jury would be called each Friday to issue warrants on criminal matters and return indictments on no-trial bills, and that much of the previous preliminary procedures would be by-passed.

Arrests of defendants would be made on bench warrants to be issued by the court following indictment.

"We will not issue a complaint, we will not go to the judge for a warrant, we will not have a person arrested in the run-of-the-mill cases," Smith said. "Run-of-the-mill burglars will run at large."

"We will get a true bill, sup-

press indictments and then arrest the defendants in most cases," he said.

Major Exceptions
The plan will be followed except in major cases as murder or rape or in cases where there is reason to believe that the defendant will commit the crime again or will leave the state, he said.

Procedures of warrants, issuance of warrants, preliminary hearings and setting of bond would remain in effect in those cases, Smith said.

Defendants in most cases are released on their own recognizance, Smith noted, "so they run at large anyway."

He explained some of the reasons for the new changes: "Once we arrest a man, he's entitled to an immediate preliminary hearing. This constitutes a discovery proceeding for the defendant, and his attorney finds

Income Tax Aid To Start Jan. 13

It's nearly that time again.

The Internal Revenue Service completed arrangements Monday night to provide income tax filing aid to Quad-Cities area offices in the city of Granite City.

Council members voted approval for IRS agents to use the engineer-clean air board office suite on the third floor.

IRS agents will be here every Monday starting Jan. 13 and continuing through April 14. The hours will be from 9 a.m. to noon and 1 to 4 p.m. each Monday.

20 MPH Speed Signs Removed from Fehling

Those 20 mph speed limit signs along Fehling road and a sign on State street from Fehling road to 28th street are being removed this week to be replaced with posted signs.

Police Chief Ronald Veier said yesterday the wrong type of signs were installed, and that there are three different speed limits—20 mph when children are present, 20 mph for buses and trucks and 30 mph for autos when school children are not present.

"We hope to have the entire matter cleared up as quickly as possible. You might say it will take three signs to do the job," he said.

The chief added that no arrests were made for actual 20 mph violations, but some on the 30 mph limit with speeds 38 to 45 mph, mostly along Benton street by Wilson Park.

The speed limit zones at schools extends for 600 feet, according to ordinance, and there is a misinterpretation of the ordinance adopted Sept. 23 to set the 20 mph limit when school children are present.

The 20 mph signs were still up today along State street.

A 'Crossed-Finger' Report

The new strain of influenza, commonly called A2Hong Kong flu, apparently is having little effect at the present time on school absenteeism in Quad-City schools, although the number of sick calls indicate a slight upswing in a real industrial plants, according to a survey carried out this week by the Press-Record.

The flu virus, which has reached epidemic proportions in New York and Chicago, with an estimated 1,000,000 victims in Los Angeles and New York City alone, is expected to reach a peak in the local bi-state metropolitan area in mid or late January, health authorities report.

Local flu victims appear to be mostly adults. However, a minimum number of teachers are sick and absenteeism at Quad-City industrial firms is not considered alarming.

A. O. Smith Corp. reports about 20 persons called in "sick" Tuesday, which is higher than usual. However, Granite City Steel Co. noted only "normal absenteeism" among the work force, and Miles Laboratories-Union Division said only a few cases.

Three Unhurt As Plane Crashes Near Canal Locks

Robert Mattick of Sanford, Conn., accompanied by his wife and daughter, crashed-landed his private plane on the west side of the canal a half mile below the Chain of Rocks locks about 4 p.m. yesterday.

All were uninjured. Mattick walked to the offices of the lockmaster at the Chain of Rocks locks where he was met by Keeney, assistant lockmaster, that he and his family were headed toward St. Charles, Mo. for a holiday visit.

Mattick said his plane ran out of gas and that he made a good landing along the levee road, but that the plane wheel struck a hole or rut, causing the plane to tip and slide down the grassy slope of the levee on the west side.

The plane was not damaged extensively, but Mattick said it was towed to the Mitchell garage. The family completed its journey by taxi.

Stolen Auto Destroyed By Fire, Youths Flee

A 1968 auto owned by Larry Seider, 2214 E. Delmar avenue, reported at 8:30 p.m. Wednesday that vandals wrote "I love you" in white spray paint on the rear of his 1968 auto. Spray paint was used.

Several youths were seen leaving the burning car and entering another auto. The vehicle was towed to a Mitchell garage. State police are investigating.

\$1622 Still Needed For Tree Of Lights

Chairman Makes Last Appeal; Strikes Boost Requests for Baskets

The Salvation Army Tree of Lights is \$1622 short of the \$6000 goal to provide food baskets for needy Quad-Cityans.

Edwin Reiske, drive chairman, stressed there is a desperate need to hit the goal this year due to so many lengthy strikes and layoffs.

The contribution total today was \$4378, and local organizations are still participating in the "bell ringing" program.

Members of the Rotary Club will ring bells on Friday evening at shopping centers; and on Saturday, Utilities Workers Local 405 will be at the 19th and Edison avenue and the Shriners will take care of the remainder of the downtown shopping district and the shopping centers.

The Girl Guards of the Salvation Army will ring the bell ringers on Monday from noon until store closing hours.

State Licenses Technical Center Here for Child Care

The child care center maintained by the Venice-Lincoln Technical Center for pre-school children of adult students and the Illinois Department of Children and Family Services, which is a part of the school board was informed Monday evening.

The license, issued following an investigation of facilities and personnel plus a fire and building inspection, permits the child care center to operate at a 40-pupil level.

Average daily attendance is 25 children. However, recently on a single day nearly the maximum number was present. It was noted.

Dr. Vivian Wilson, day care licensing representative for the Division of Child Welfare, noted that the center is "offering an excellent community service to Madison county."

She commended Mrs. Carol Murphy, child care center director, and Miss Mary Thurman, assistant director, whose backgrounds she called "excellent and invaluable to such an operation."

\$42,914 Reimbursed
The board members that two payments of state funds, totaling \$42,914, had been received by the district. The amount will be allocated to various district funds from which payments previously have been drawn to cover expenses at the Venice-Lincoln center.

He reported that the Illinois Department of Public Health shortly will open an office at the local technical center to provide on-the-spot assistance to job, education and family counseling to students.

Workers Return To Jobs At GSI

Striking Steelworkers Okay New Contract to End 6-Week Walkout

Employees of General Steel Industries, idled since Nov. 1 by a strike of 1300 steelworkers, were returning to their jobs today following acceptance of a new three-year contract by the 1300 members of the union.

The contract proposal submitted by the company in a lengthy negotiation session last Friday was approved by more than 1000 members of GSI. Local 1022 of United Steelworkers in a 3 1/2-hour ratification meeting that got under way shortly after 1 p.m. in the Labor Temple.

Clyde Boyd, representative of the Granite City USWA subdistrict, said only six negative votes were cast on a motion to approve the contract terms.

Settlement of the six-week-old general steel strike was followed yesterday by announcement that negotiations will be resumed this afternoon in the strike of 100 steelworkers at the Madison plant of Dow Chemical Co., the only remaining labor dispute in the Quad-City area.

Join Negotiations
The Press-Record learned today that three top-level union and company officials who have not previously participated in the negotiations will attend today's session. They are Joseph Kirkham, Washington, D. C., representative of the U. S. Conciliation and Mediation Service; Lloyd McBride, district director of USWA, and C. C. Armstrong, manager of engineering and design products at Dow Chemical Co., Midland, Mich., headquarters.

At the General Steel Industries plant, Thomas Remington, president of the Castings Division, said that recall of workers below the negotiatory level after union approval of the contract Tuesday, but that only a few workers were called in Tuesday night.

He said workers are being called back to their jobs on an individual basis as rapidly as the plant can be readied to resume production. The company's steel furnaces were banked on the same night the strike began and probably will not pour their first heat of steel before Tuesday, Remington said.

The strike resulted from a deadlock over seniority and job classification issues. The 1300 members of Local 1022 resulted in the plant shutdown and layoff of an additional 700 nonstriking workers.

Followed Long Discussions
The contract agreement finally reached last Friday followed two weeks of almost daily negotiating sessions between union and company representatives, some of them lasting ten hours or longer.

Tuesday's ratification meeting, because of the large attendance, was held in two sections of the Labor Temple, the main body meeting in the large hall on the third floor of the building and the other in a meeting hall on the second floor which was serviced by amplifier from the main meeting room.

Boyd said the new contract is "the largest, the biggest and the best ever negotiated at General Steel" and said it included additional wage raises over and above the basic steel increase and included raises in many job classifications.

The contract provides a general wage increase of 22 percent over the contract in effect Nov. 2, 1968, and again on Nov. 2, 1970.

In addition, five-cent-per-hour increases are allowed in ten job classifications effective Nov. 2.

Flu 'Bug' Not

receiving a very small quantity of flu serum which is being given to patients on a selective basis. "We have called into the office for the vaccine, patients with severe cardiac and pulmonary conditions, diabetic patients, or those who have undergone chest surgery," the physician said, adding that the amount of serum allocated locally was "very minute."

It takes one to three days to come down with the flu, once you've been exposed, and then there are three more days during which you can pass it to someone else, health officials report. It takes three to seven days for the virus to run its course once the illness strikes.

Authorities explain the flu is spreading so rapidly this year because it is a new strain of virus, and persons haven't built up antibodies to protect against it.

They also will be safe next winter, officials at the National Communicable Disease Center, Atlanta, Ga. report. Two years from now, however, this winter's victims will be susceptible again.

Vaccine against the Hong Kong virus will be available this year on a very limited basis in this area and probably restricted to victims with heart disease, tuberculosis or those over 65 years of age.

Steve Jones, Granite City high school assistant principal said Tuesday, "the flu hasn't had too much effect on attendance. Only three teachers are absent today, out of more than 140 faculty members and approximately 200 students from a total of nearly 3000."

"We have noticed some flu cases among those absent, but not too significant a figure. We have roughly the same quota of absenteeism as usual for this time of year," the official added.

Non-attendance at Nameeki grade school was not exceptionally large Tuesday, no more than usual, with one or two youngsters not reporting to school in each classroom.

Marshall school, with an enrollment of 548 pupils, recorded about 10% absenteeism Tuesday, a decrease from 12% of the student body absent the day before.

Calvin Bartels, assistant principal, said 34 boys and 38 girls and one teacher were absent from school Tuesday, out of an enrollment of 480. "The student absenteeism rate is considerably higher than usual," he said.

chapel of Coolidge junior high school, said 111 pupils out of 1300 were absent Tuesday, compared with 73 absentees on Tuesday, Dec. 10. The figure rose somewhat yesterday, with approximately 140 children not reporting for school.

Bartels said that no real problem existed in the Coolidge building with teacher absenteeism. He noted, however, that "several faculty members are not feeling too good." He also reported during the week there has been an increase in the number of dismissals—children who come to school, stay an hour or so then have to be sent home due to illness.

According to Madison School Supt. Raymond Dragich, "Madison students and teachers don't know what Hong Kong flu is! So far, it appears all our pupils and teachers are immune to the virus, as absenteeism is very light," he commented optimistically.

Some apprehension was expressed Monday evening at a meeting of the Venice board of education when a report made by Supt. John O. Pier showed a spot check of grade school classes on Friday and Monday indicated absenteeism to be alarmingly high, specifically at the primary level.

Venice board members decided should the figures be duplicated in other classrooms, or the ratio of absenteeism increase by mid-week, that school would be dismissed earlier than tomorrow's closing date.

A check with Venice Asst. Supt. Robert N. Vickers, a flu victim last week who returned to school Tuesday, and Mrs. Anna McKinney, Venice grade school principal, showed that 54 elementary school pupils out of an enrollment of 520, were absent Tuesday. Normal absenteeism runs between 40 and 45, the principal said.

Venice high school attendance appeared about normal, and only three teachers and a school nurse reported off on Tuesday. Significantly, two first grade classes accounted for 24 out of a total of 45 absent grade school pupils last Friday. One first grade room with 20 pupils had 11 missing Friday and eight Monday, while another room with 23 students recorded 13 absent Friday and 11 pupils Monday.

Pay Boosts for GC Officials Under Study

Under study by Granite City council members is an ordinance—loaded with blanks—to set forth salaries for officials to be elected next year.

No figures were given in the ordinance which was read at Monday night's council session

and referred to the council as a whole. Offices for which salaries are to be discussed are—mayor, now \$10,500 a year, or \$875 a month; treasurer, \$800 a year, or \$75 a month; city clerk, \$480 a year, plus fees, or \$40 a month, and half the aldermen, who now receive \$25 a meeting or \$75 a month.

Under the proposed ordinance, the clerk's salary increase would cover the fees, that now include the \$2 for birth certificates and \$1 for death certificates.

Recently in Alton, the salary of the mayor (to be elected next April) was increased from \$12,000 to \$16,000 a year; the treasurer and clerk, from \$800 to \$11,500.

At the present time, the aldermen elected in 1967 receive \$90 a meeting—\$150 a month—while those elected in 1965 are paid \$25 a meeting—\$75 a month.

Council members were urged by Rutledge to set boundaries for new city voting precincts in the revamped wards. He suggested it be done before the first of the year, but City Atty. Allen, who is resigning Jan. 1, pointed out it was unlikely that all the data needed for the ordinance could be given him in time for next week's council session—the last of the year.

Mayor Partney remarked that if the job of revising city precincts could not be completed, it might be necessary to declare each of the seven wards to be a voting precinct for the city primary and regular elections next year.

Alderman Robertson called for a study to be made for elimination of the \$5 court cost fee for cases involving city traffic law violations where an individual does not want a hearing.

"These type traffic tickets could be handled the same as parking meter tickets, and it would save the individuals the court cost fee that the city doesn't get anyway," Robertson added. In the event an individual requested a hearing the court cost would stand, he added.

City Atty. Allen said he believed there would be objections from the county judicial department, but that he would look into the possibility. Robertson pointed out that there were numerous arrests over the weekend in the 2500 and 2600 blocks of Adams street involving one-way traffic violations. "I think we should forgive the court costs in such cases. I'd be for repealing all traffic laws this is the way people are being treated. The arresting officer told the people to call the aldermen."

Robertson implied the police had been sent by the mayor to make the arrests. Police Chief Veizer answered that persons living along Adams street had called the station complaining of violations, and a traffic officer was dispatched. After he stopped one motorist, the others traveling in the wrong direction "just pulled up behind the car." Chief Veizer said, adding that when one driver said "he knew the mayor and cause of the law changed," the officer replied it was the aldermen who changed the laws, not the mayor.

Alderman Nomm was absent Monday night. He advised Clerk Pendleton that he had been confined to bed by his doctor because of the cold. Alderman Green, who sat away from the council table explaining he was ill with the flu, left early.

An allowance of \$250 is payable by the Veterans Administration toward the burial expenses of a deceased war veteran.

More than nine million hours in volunteer services were contributed by over 100,000 individuals at Veterans Administration hospitals last year.

An aggregate of 48 months of educational assistance is now available to veterans eligible under two or more Veterans Administration programs.

GC Park Supt. to Interview Next Week for Summer Jobs

College students home for Christmas who are interested in summer employment with the Granite City park district, together with high school students and other persons, may submit

applications and be interviewed from 9 a.m. to 4 p.m. next Thursday and Friday and the following Monday and Tuesday, Park Supt. Harold Brown announced today.

About 100 jobs will be available with the park district next summer, the official said, adding that positions include those of lifeguard, bathroom attendant, concession stand worker, maintenance, park police, recreational leaders and junior and senior recreational aides.

Acceptance of advance applications has been arranged for the four dates, Brown said, to provide an opportunity for local college students who reside in the park district to file for employment while home for the Christmas holiday.

Senior citizens and other local residents interested in positions as park policemen and maintenance workers also may apply at this time, Brown said. Those applying next week will be given preliminary interviews by the park superintendent.

year, and the goal of the Tree of Lights for this year was not increased.

Reiske issued an urgent appeal to all local contributions to do this, without fail, this week.

Basket recipients have been notified of their appointments for picking up their baskets which will begin on Monday at 11 a.m., at the Citadel and will continue until 11 a.m. Christmas eve. The current plan is to serve 60 persons in an hour.

The specific number of prepared baskets given to the Salvation Army for distribution was one and toys from Cub Scouts of Pack 9; two from the B&PW Club; three from the Granite City Rotary Club, 26 from the Girl Scouts and over 3000 from officers from the Eagles Lodge.

The Brownie and Girl Scout Festival of Giving provided 86 baskets, donated to the Salvation Army, Catholic Charities, Protestant Welfare and American Red Cross. Names of needy families are cross-checked by these agencies so duplicates are not given and more people can be helped.

Vandals Damage Auto Parked on Heeling Road

Michael Maene, 2631 Madison avenue, reported to police at 4 p.m. Wednesday that vandals entered his parked auto on Heeling road at the rear of the high school and smashed the stereo player and stole two tapes. He said mud was smeared on the interior of the auto.

Maene said the vandals apparently had a key to enter his locked 1960 auto.

Beaten in Madison

William Nash, 29, of Venice, was treated at St. Elizabeth Hospital at 10:30 p.m. yesterday and then transferred to Scott Air Force Base Hospital as the result of injuries suffered when he was attacked and beaten in an alley in Madison.

Police said they found Nash in a semi-conscious condition in the alley between Third and Fourth streets just west of Madison avenue, accompanied by Carolyn T. Hanger, 214 Lee street, who said she was struck in the face by the assailants. She said she saw three men running away, but could not identify them.

The woman told police she and Nash were walking in the alley when the three men appeared suddenly and attacked them. Police said they learned that about \$40 was taken from Nash. The victim said he had been staying at the home of a brother at 635 Filmore street, Venice.

2 Taken to Hospital

After Tavern Fight

Two men were injured, requiring hospital treatment, in a fight that broke out at a police headquarters for questioning as the result of a fight early this morning in and outside of the Town Tavern, 1312 State street, in Madison.

Police said they were called at 3:30 a.m. to the tavern where they found Donald C. Edwards, 34, of 2201 Missouri avenue, lying on his back at the curb across the street from the tavern building.

Eight occupants of the tavern were taken to headquarters but were unable to explain how the fight started, police reported. All were released. No charges were filed.

Venice police told Terry Stockman, 24, of 3013 Edgewood drive, to St. Elizabeth Hospital for treatment. Officers quoted Stockman as saying he walked into the tavern, saw that a fight was in progress and was struck during the melee. Police said the fight apparently moved outside the tavern where Edwards was beaten.

Depot Disaster Siren Test at 2 P.M. Friday

A full-scale test of new disaster sirens at the Granite City Army Depot is set for 2 p.m. tomorrow.

While intended primarily to test the effectiveness of the sirens in alerting those on Depot property of an impending tornado or enemy attack, it is possible that the test also may be heard in the Quad Cities, depending on wind and cloud cover.

There will be a steady three-minute tone, followed by two minutes of silence and then a three-minute wailing tone.

"This won't be a 'growl' test. It will be a full operation of powerful equipment, and it may be pretty loud," a spokesman said.

Traffic Crashes Injure 16 Persons This Week

Sixteen persons were injured in eight of 24 traffic crashes occurring in and near the Quad Cities this week.

Three persons suffered minor injuries in a three-car pileup on Nameoki road at Clark avenue about 6 p.m. yesterday.

Injured were two drivers, Joseph Raush, 57, of 1326 State street, and James Reinhardt, 27, of 1700 Lindell blvd., and a passenger in the Raush auto, Evan Raush, 33, also of 1326 State street. The driver of the third auto was Ernest Allison, 35, of 1726 Edwardsville road, Madison. Police charged Reinhardt and Allison with following too closely. All autos were traveling north.

Crash Injures Two
Injuries were suffered by two persons in a two-car crash at 27th street and Madison avenue at 5 p.m. yesterday.

Cleveland Cutright, 83, of 1201 Kirkpatrick homes, driver of one car, suffered minor injuries. He was charged with disobeying a traffic signal. The other driver, Charles Brewer, 64, of 2429 Delmar avenue, escaped injury. A passenger in his car, Doyle Miller, 6, of 2429 Delmar avenue was hurt. In the crash, a pedestrian signal control post was knocked down. Cutright, a retired city street superintendent, was admitted to the hospital with shoulder, chest and knee injuries.

A 10-year-old boy, Tim Hooper, 1355 Moro avenue, sustained minor injuries yesterday afternoon in a two-car accident on Nameoki road at the high school. He was riding in an auto driven by Elsie Hooper, 1355 Moro. The other auto was being driven by Catherine Leggans, 3605 Ruth drive, who was charged with following too closely.

Hurt in Madison Mishap
Michael Viesman, 25, of 2712 Edwards street was treated at St. Elizabeth Hospital at 12:10 a.m. today for injuries suffered

in an accident at Edwardsville road and McCambridge avenue in Madison. Police reported the accident occurred when a car driven south on Edwardsville road by Viesman, and one driven north on McCambridge by Thomas E. Troedel, of the Granite City Army Depot, collided in the intersection. Viesman was taken to the hospital by ambulance.

Raymond Morris, 24, of 1737 Delmar avenue, was treated for minor injuries at St. Elizabeth Hospital, x-rayed and released Monday following a traffic accident at Sixth street and McCambridge avenue in Madison. Police reported a car driven by George H. Klingenberg, Belmor, Mo., headed north on McCambridge, and one driven by Morris, going east on Sixth street, collided in the intersection.

Auto Hits Engine

Francis N. Femmer, 21, of 2650 North street, complained of pains, and two passengers in his auto were injured when it struck an Alton & Southern Railroad locomotive at the Edwardsville road crossing at 2:50 a.m. Tuesday. The engineer was Emmett Salmons of Belleville.

Treated at St. Elizabeth Hospital were Brenda Nicholls, 2307 Independence drive, for a pain in the right knee, and Shirley Welker, 27, of 819 Staunton avenue, Madison, who struck her chest. Both were x-rayed and released.

2 Hurt in Crash

A one-car accident on Highway 111 near Boag street at 10:25 a.m. Tuesday resulted in injuries to two persons, who were admitted for treatment at St. Elizabeth Hospital.

State police said an auto operated by Mrs. Jeanie C. Brown, 41, of Collinsville, apparently had no choice but to slide off the side of the road on wet pavement, causing it to

Mrs. Brown underwent x-ray for possible injuries to skull, spine, rib and chest area, left wrist, left elbow and right wrist. Her son, Larry, 17, a passenger, complained of neck pains and had x-rays taken of the spine, skull and chest before admittance.

Three Persons Injured

Three persons were injured when autos driven by Beverly Huber, 29, of Rural Route Two, and Imogene Melancon, 38, of 2516 Edwards street, collided at 4:25 p.m. Monday at Jill avenue and Nameoki road.

They were taken by ambulance to St. Elizabeth Hospital. Mrs. Huber suffered abrasions to the right knee, right thumb and lower lip and contusions to the left knee. Sandra Huber, five, suffered contusions and abrasions to the lower lip and both knees and contusions to the forehead. Mrs. Melancon struck her head on the windshield. X-rays were taken and all three were released.

John D. Kirksey, 84, Dies; 40-Year Resident

John David Kirksey, 84, of 2711 Denver street, died about 8:30 p.m. yesterday at the Colonnades Nursing Home, where he was a patient five months. He had been in ill health 18 months.

A Granite City resident more than four decades, Mr. Kirksey was born in Stewart county, Tenn. Prior to retirement in 1950, he was employed in the maintenance department of Miles Laboratories—Union Division. He was a member of Bethel Chapel.

Mr. Kirksey is survived by his wife, Maybelle; five sons, Virgil, Raymond, Lew, Frank and Kenneth Kirksey, all of Granite City; one daughter, Mrs. Thomas (Lorene) Cathey of Granite City; three stepsons, James and Arlie Marsh and Eddie Rich, all of Granite City; a stepdaughter, Mrs. E. L. O. Stiers of South Roxana; two brothers, Bert Kirksey of Collinsville and Charles Kirksey of Alton; six sisters, Mrs. Cathie Ethridge of Kuttawa, Ky., Mrs. Eunice Whaley, Mrs. Birdie Cuff and Miss Minnie Kirksey, all of Collinsville; Mrs. M. A. R. V. (Ruth) Schmidt of St. Louis, and Mrs. Rose Miley of Granite City; eight grandchildren and nine great-grandchildren. Funeral arrangements are given in today's obituary column.

Boy, Two, Unconscious

Robert Harsh, two, son of Mrs. Wilma Harsh, 3909 Kirkpatrick homes, was taken at 8:35 a.m. Wednesday to St. Elizabeth Hospital where he appeared to be unconscious. It was believed he had found and sampled some pills or medicine during the night, according to a hospital spokesman. The boy was transferred to St. Louis Children's Hospital.

Nest Causes House Fire

A bird's nest in the flue of a fireplace caught fire and caused \$150 damage to the wall at the home of Ralph Rotter Jr., 2134 Johnson road, at 10 p.m. Wednesday. Firemen were on the scene a half hour.

court decision which permits a landfill near Edwardsville as the notice was not filed within the required 30 days by the previous state's attorney. The board had instructed the state's attorney at the time to do so.

The board had denied a special use permit sought for the Barton landfill, and the denial was appealed to the circuit court. Smith, who had represented the landfill interest at the time, said that the judge had no choice but to find against the county board.

Smith, who said he has been familiar with landfill operations for some time, plans to meet with the sanitation committee headed by Carl Bushler of Granite City and Paul Hawkins, sanitation officer, to revise the ordinance.

Operator Critical

During the meeting a lengthy letter was read from Marion Crow, operator of the Edwardsville landfill which serves the city of Edwardsville, charging the county with harassing landfill operators and accusing the sanitation official of being incompetent, a liar or both. He said his landfill previously was cited as being one of the best in the state.

In defense of the department, Bushler, illustrating photographs, said the landfill was in violation of the law on 16 inspections during the fiscal year, and that state inspectors have found it to be out of compliance.

He added that there have

30-Day Extension

Adopted a resolution requesting the Illinois Department of Revenue to grant a 30-day extension to the county Board of Review to complete its tax assessment work.

Granted a contract to Thomas Skerle of Granite City to demolish the smoke stack at the county jail on a sole bid of \$4400. The stack was cracked in the recent earthquake and is in danger of falling onto private property.

Appropriated from motor fuel tax funds \$17,000 for the salary and \$1500 for expenses for the county superintendent of highways.

Employed R. C. Scheffel & Co. of Alton, certified public accountants, to conduct the annual outside independent county audit for the last fiscal year.

Increased the budget and levy aid to indigent veterans from \$2500 to \$15,000. Received a report from Auditor John Kraynak showing that total fund balances in the general county revenue funds were \$93,071 at the end of the fiscal year last Nov. 30, compared to \$93,840 the previous year. He said the major increase came from the county officers' fund from excess fees, particularly in the county treasurer's office where the total was \$484,482.

Authorized calls for bids for purchase of new patrol cars for the sheriff's department, a truck for the rabies control department, and county highway supplies and equipment.

Approved extended holidays on five Fridays following legal holidays next year, including Feb. 21, Oct. 13, Nov. 28, Dec. 26 and Jan. 2, 1970.

Heard a report that the county necropolis sanatorium, to be phased out of operation on Jan. 1, had a patient load of 10 on Nov. 30, and that the county nursing home had a capacity of 62 patients in November.

3 Named To U. S. Squad for Bermuda Holiday Soccer Meet

Three men from St. Philip's, undefeated, untied (in regular play) soccer team have been named to the U. S. Junior team scheduled to play in the Bermuda Invitational Youth Tournament Dec. 26 through Jan. 1.

Chosen were John Deino, Fred Fawcett and John Caranza. The three are part of a 15-man team representing the U.S.

Bob Guelker, president of the U. S. Soccer Football Association and soccer coach at St. Louis, announced the team. The team will assemble Saturday in St. Louis and will hold two practice sessions at Penrose Park.

Ten members of the St. Philip's team, national champions, were named for the U. S. club. Guelker said the national commission recommended that the St. Philip's team form the nucleus of the squad. "If we make a strong showing in the tournament, we believe this can go a long way in advancing our newly-established development program, and certainly enhance our international prestige," Guelker said. The USFA president added, "We believe this combination of strong team nucleus and the addition of five top players from around the country will help us achieve our objectives."

Dave Berwin, coach of St. Philip's, will serve as coach of the team, and Harry Hunter of Philadelphia will be business manager. Guelker will head the travel party as the representative of the national association.

Devils Bedevil Aviston In Final Seconds 67-65

The Venice high school basketball team improved its record to 3-2 by slipping past Aviston 67-65 as the buzzer sounded to end a non-conference home game Tuesday evening.

The Red Devils had trailed at the end of each quarter, coming out on top at the end of the most important quarter.

The local team managed all ways to stay within distance of the visitors, but never took the lead until a few minutes after the fourth quarter started.

The Red Devils stretched their lead to six points, but Aviston caught Venice aided by fouls and traveling violations to tie the game.

Schofield to Address Order of Arrow Dinner

Dick Schofield, still young but a major league baseball veteran, will be the speaker for the annual Order of the Arrow banquet of the Cahokia Mound Boy Scout Council to be held at Edwardsville Monday, Dec. 30.

Lodge Chief Lynn Hellrich will act as master of ceremonies for the banquet, which will include election of officers for the new year and presentation of a meritorious award to an outstanding adult scout.

The Order of the Arrow has a membership of over 300 boys and men, who are considered expert campers. Membership is by election within the scout troops and explorer posts after camping requirements are met.

Tickets Being Sold
Craig Maer is in charge of ticket sales in the Quad-City area. Tickets are \$3 for includes dinner and 1968 dues.

Trinity Lutheran School, 600 Water street, Edwardsville, will host the event.

The guest speaker, whose full name is John Richard Schofield, was born Jan. 7, 1935, at Springfield, Ill., and had the distinction of reaching the National League in his first year of professional play, 1953.

A "bonus baby," Schofield played in 33 games for the St. Louis Cardinals that year, 43 the following year and 12 in 1955, during which he also played 107 games for Omaha.

He then spent most of the next year with Omaha before returning to the major leagues to stay late in the 1956 season.

7 Seasons at Pittsburgh
He spent all of 1957 with St. Louis and was traded in mid-1958 to Pittsburgh. He remained there until going to San Francisco during the 1963 campaign.

Two more trades, to the Los Angeles Dodgers and New York Yankees, took place in 1966.

After spending 1967 with Los Angeles, Schofield was used as an infield utility man with the Cardinals in 1968 and was regarded as a valuable asset to the team as it marched to its second straight National League pennant. He filled in at shortstop, second base and third base.

Nicknamed "Ducky," he is a veteran of two World Series, getting one hit in three times at bat during three series games for Pittsburgh in 1960, and seeing action in two games this fall as the Cardinals met the Detroit Tigers. He batted .135.

Other Grigsby wrestlers were Rick Hensley (95), Randy Ganz (127), Wayne Meyer (133), Mike Rogers (138), Mark Sparks (145), Larry Rose (154) and Rick Taylor (165). Other Prather wrestlers were Tom Keel (87), Curt Holland (100), David Raub (112), Howard Etherton (120) Tom Layman (180) and Woody Lovachoff (heavyweight).

Winners for Prather were Richard Madrid (85) 57, Dean Vaughn (127) 8-5, Norris Egbert (142), Danny Patterson (138) 2-42, Dwayne Dickerson (145) 1-14, Bob Morgan (154) 8-6 and Chester Walton (165) 4-2.

Victors for Grigsby were Harry Miller (87) 25, Dennis Ragan (103) 5-20, Lenney Ragan (112) 4-2, Don Corbit (120) 1-08, Dan Solenberger (130) 3-07 and Rusty Barton (heavyweight) 1-35.

The high-flying Granite City high school basketball team undefeated this season and unusually effective in holiday tournament play, will attempt to add the Pontiac Christmas invitational tournament championship to its 1968-69 laurels next week.

Adding considerable interest to the season's tournament field will be the appearance of two members of the "Chicagoand Red Catholic League," La Salle Institute and St. Mal's for the first time in history.

Two other new teams will join the tournament field this year. Normal Community's Ironme of the Corn Belt Conference and Glenbard West of the Chicago West Suburban League are the other newcomers.

Favorites besides GCHS and Normal Community include Lockport Central, Chicago Heights Bloom, Waukegan, Rock Island, Alton and La Salle-Peru. Lockport Central is the "sweet 16" qualifier last spring.

The tournament field at Pontiac also includes the host school and Sterling, University High of Normal, Streator, Prospect and Richwoods of Peoria Heights.

6-11, 6-4 Players
Spectators planning to enjoy a real attraction this year with at least four players towering over the 6-7 mark.

Winning of Rock Island will field the rangiest center in 6-11.

Warrior Marmen Edge Northwest High 24-20

Tim Wallace, 165-pound wrestler of the Granite City high school Fighting Warriors, clinched a close victory for his team here Tuesday evening by pinning his foe in 4:55.

The Warriors won 24-20 over strong Northwest high school of Missouri to hand that school its first loss of the season.

GCHS is still undefeated in three dual meets and won one quadrangular but placed fourth of eight teams in the Ritenour tournament last weekend.

Coach Bill Schmitt said Tuesday, "The difference in winning and losing could be traced directly to the fact that we had more pins than they did. Each team won six of the 12 weight divisions, but we pinned three more to their one."

Two Gain Quick Pins
Winners by pins were Bob Miller (103) in 1:57, Tom Niebur (138) in 1:45 and Wallace, who won when the Warriors led stood at 19-12. Two bouts followed the Wallace victory, and both ended in losses.

Deciding winners were Al Bridgman (112) 4-2, Steve Ferguson (120) 4-2 and Mike Christopher (127) 3-4-0.

Normandy Here Saturday
The Warriors will next be in action at Edwardsville Friday at 4 p.m. and will be at home again Saturday at 1 p.m.

Problems include the fact that Dan James has moved out of town. Drew Shands has been injured and Roger Hayes is out with a rib injury suffered at Bloomington.

All-Out Trojan Effort But Lancers Win 64-48

"There is even a bright side to losing a game," commented Coach Bob Page of the Madison Trojans Tuesday night at Belleville East, "if you know that your team has tried and really given all it has got."

MHS was cut down 64-48 by the Lancers but, as Page said, "This was the best we have looked all season."

"We're still making mistakes and we're having a hard time getting shots, but our ball handling is greatly improved as well as our ability to get rebounds."

The quarter scores found the Trojans trailing 14-10, 27-24 and 44-24, reflecting 14-9 and 20-15 deficits in the crucial third and fourth periods.

We tried to hurry our shots and our shooting off balance," said Page.

When the Lancers stretched their lead to six points early in the third quarter, the Trojans quickly changed its defense and was making a comeback when suddenly everything seemed to fall apart.

"We started fouling, and before we knew what happened they were out of reach. For example, one episode cost us five points in 10 seconds."

"A player went in on an enemy free throw penalty and we were shooting off balance," said Page.

Teamwork Enables 3-1 Soccer Win

Teamwork is viewed as essential for success in soccer, and the GCHS Fighting Warriors have displayed it consistently this season, including a 3-1 win at Assumption Monday afternoon.

Their record is four wins, two ties and one loss for the second year team of varsity competition.

Bobby Galvin scored twice and Herb Milton scored the other goal Monday. Center-forward Mike McGovern had two assists and Halfback John Windfield the other assist.

On the first goal by Galvin, the ball was worked up the outside by Jerry Monahan. It crossed to the center on a long, high kick and McGovern headed the ball to Galvin, who drilled it into the corner of the net.

The second goal, also by Galvin, followed a Galvin pass to Windfield, who passed it back to Galvin as he broke into the clear and entered the penalty area.

The 2-0 score at the half was changed in the first five minutes of the second half as Milton scored on a pass from McGovern. The ball was brought up from the outside position by Robert Cunningham.

Both teams had about the same number of shots. Danny Hodge stopped several good shots, and on the one that got by him, he had called out that he would retrieve the ball. However, his halfback headed the ball and one of the opposing players then caught the goalie out of position.

Also playing were Rick Lesko, Don Smith, Harold Bolton, Steve Brown, Jeff Jolly, Scott Wilson, Harold Thiel and Jim Rollins.

Tomorrow the Warriors will be at Rosary for a 4 p.m. game. They will be at home Saturday for an 11 a.m. game against Assumption Academy at the Granite City high school field. There will also be a sophomore game at the same time Saturday.

Unbeaten GCHS, Tigers Clash Here Tomorrow

It will be a meeting of the only two undefeated teams in the Southwestern Conference tomorrow at 8 p.m. at the Granite City high school gym as the Fighting Warriors host the Edwardsville Tigers.

The Warriors go into the game with a 3-0 season record and a 3-0 conference mark. They have posted victories over Springfield Griffin 99-65, Mater Dei 86-70, Collinsville 72-68, Belleville West 57-23 and East St. Louis 61-42.

The Tigers have stopped Highland 67-18, Belleville East 64-41, Alton 66-62 and Wood River 59-42 for 4-0 and 2-0 records.

Wood River Regional, Edwardsville Sectional

Local area regional cage play will be at Wood River high school, with sectional competition at Edwardsville high school. No district-level meet is scheduled. Other regionals leading into Edwardsville will be Cahokia, Greenville and Litchfield.

Announcement of the centers for district, regional, sectional and state final basketball tournaments in the 1989 Illinois high school championship series was made yesterday.

Play will open at 42 district centers on Feb. 24. Assignment of teams to district tournaments will be limited to schools of small enrollments within each regional area.

Regional and sectional tournaments will follow the district meets at one-week intervals, in the weeks of March 3 and 10. Dates for the state tournament are March 18, for supersectionals, and March 21-22, for the eight-team finals. The Edwardsville sectional winner will advance to Charleston along with the winner at East Richland of Olney.

The 15 sectional tournament winners and the Chicago public high champion will play their first-round games of the "Sweet 16" state tournament three nights before survivors move on to the University of Illinois for the deciding games.

As in last year's tournament series, only the winning teams will advance from one level to the next.

Although the Great River Road currently is being extended in the area between Ponton and N. Edgar, further extension to Broadway in Venice may be three or four years off due to lack of funds, Moenkosians were told yesterday.

Robert Kronst, district engineer of 11-county District Eight, third largest of 10 Illinois Division of Highways districts, outlined area highway construction needs and urged support of a three-cent bond in the present six-cents-a-gallon state gasoline tax.

Kronst also called for boosting present Illinois vehicle license funds, compared to the proposed gasoline tax boost would give District Eight about \$30 million in annual construction funds, compared to the present \$10 million, he said.

Fair distribution prevents spending more than \$1 million or \$2 million a year on roads in southwestern Madison county, the engineer said. "Only through an infusion of more money can this region keep pace with crucial road needs, much less reduce the backlog of projects that could improve convenience and reduce the traffic death toll, he said."

Because total state motor fuel tax funds are apportioned to various counties, and have remained on a plateau despite monetary inflation, operating and maintenance requirements have steadily cut into the funds available to construct new highways and improve existing roads, Kronst related.

The yearly District Eight operating budget totals \$9 million, including \$7,500,000 salaries, the club was told; the staff includes 330 engineers and technicians, 50 civil service personnel and 600 non-technical employees.

Kronst said there is a direct correlation between highway fatalities and the type and condition of the road. Based on 10 million vehicle miles, deaths averaged a year on Interstate (limited access, divided) roads, five to six on state routes and nine to 10 on some roads currently used.

He said this area is fortunate to be the hub of so many connecting highways as well as other forms of transportation. Included are many of the state's 142 miles of Interstate roadway, part of the national total of 41,000 miles.

Of the 1750 miles of roads of all types in this district, all have been paved and 220 miles have been pinpointed as requiring work the most urgently, totaling \$385 million, he noted. He was introduced by Mayor Stephen Maers, program chairman.

Jack Friedman was honored on his birthday, and Mrs. Valerie Stevens of the Madison school system led singing of Christmas carols.

Filing For '69 Elections Opens In Area Monday

Filing periods for candidates who will seek offices subject to the 1969 city, township and park district elections in the Quad-City area will open Monday in Granite City, petitions may be filed with City Clerk Homer Pendleton in two separate city elections—a mayoralty election which will be held Feb. 11 if more than two candidates file for the mayor's office, and the regular city election of aldermen and other officers in the regular city election scheduled April 1.

Candidates for township offices in Granite City township, whose boundaries are contiguous with those of the city, also will file nominating petitions with Pendleton, who serves as town clerk.

Persons seeking election to the lone Granite City park board post open to balloting next year must file their petitions with Frank Rea, secretary of the park district board.

Closing Dates Differ
Although they open at the same time, different closing dates are scheduled in the city filings. Candidates for the mayor's office may file petitions through Jan. 7. All other city and township candidates, subject to a primary election, may file petitions through Jan. 27.

The park district filing period also continues through Jan. 27.

Candidates for township offices in other Quad-City area townships file their nominating petitions with the clerks of their respective townships, starting Monday and continuing through Jan. 27. The same filing period also applies to candidates seeking park board posts in the city of Venice.

Two more persons obtained petitions this week from Pendleton's office to run as candidates for aldermanic posts in Granite City.

They are Frank Veski, 2330 Woodview avenue, for alderman of Ward Seven, and John C. Rupp, 1852 Poplar street, for alderman of Ward Five.

Pythian Sisters Holiday Party

Members of the Cascade Temple 216, Pythian Sisters, entertained their families and friends at a Christmas party Tuesday evening held at the Knights of Pythians Temple.

A 6:30 covered dish dinner was served from tables decorated in a seasonal theme.

Preceding the dinner, Arnold Arbogast gave a reading entitled "A Thought for Advent."

Later in the evening a gift exchange was held among the 30 persons who attended. There also were several games.

CHRISTMAS PARTY OF BROWNIE TROOP 528

Brownie Troop 528, sponsored by the Niedringhaus PTA, met at the school Tuesday afternoon and went to the home of the leader, Mrs. Beth Caffrey, 24 West Wilson Park drive, for a Christmas party. Assisting with the event and providing transportation were Mrs. Rosalie Portell, leader, and Mrs. Mildred Hoelscher and Mrs. Julia Matosian.

The scouts worked on card holders for their parents and viewed a movie which Mrs. Caffrey had taken of their investiture ceremony earlier this year. Each girl found a felt mitten with an official handkerchief pinned with a world association pin displayed on a Yule tree. The leaders were presented with gifts.

Hot chocolate and decorated Christmas cookies furnished by Mrs. Hoelscher were served by candlelight from a table adorned in keeping with the holiday theme. The troop sang Christmas carols before its departure.

Present were Debbie Righam, Jo Ann Curtis, Mary Carney, Kim Filcoff, Gena Fox, Karen Holder, Gretchen Hoelscher, Twyla Lathrop, Bonnie Lubbert, Georgia Matosian, Judy Moore, Martha Portell, Mary Ellen White and a guest, Hans Hoelscher.

Next meeting will be Jan. 10.

Webster School Holiday Concert

A total of 250 parents and guests attended an annual Christmas concert of the Webster PTA Monday evening. The concert was under the direction of Mrs. Mildred Hediger, with sixth grade students participating.

Preceding the musical program, a PTA business meeting was held, with the president, Mrs. Mae Lee, presiding. The meeting was opened by a flag ceremony conducted by Junior Girl Scout Troop 704, led by Mrs. Lee and Mrs. Shirley Teravasi. Principal Clyde Lee offered the PTA prayer and the program was turned over to Mrs. Betty Woodruff, vice-president, who introduced Mrs. Hediger.

The chorus sang, "Do You Hear What I Hear?" and Steven Prokopick played a drum solo, "Drummer Boy," being joined on the second verse by James Caschetta, Michael Vidan, Michael Watkins, Kevin Kearns, Doyle Mifflin and Steven Burch. Vickie Welly sang, "There's a Song in the Air" and "O Come Little Children."

A cornet duet by Michael Willmore and Darrell Cook and a piano solo by Sandra Parks were offered, followed by "Silent Night," sung by the chorus. The chorus also sang "Twelve Days of Christmas," "Silver Bells," "White Christmas," "Jingle Bells" and "We Wish You a Merry Christmas" at intervals during the program. There was a cornet solo, "O Come All Ye Faithful," by Michael Vidan and, for the closing, the chorus sang, "Santa Claus Is Coming to Town."

Announcer for the program was Steven Burch. Kenneth Cann and Louis Mebelic, teachers of the students, were in attendance.

Refreshments were served in the cafeteria by first grade room mothers following the adjournment. The next meeting will be Jan. 13.

Depot Awards Service Pin

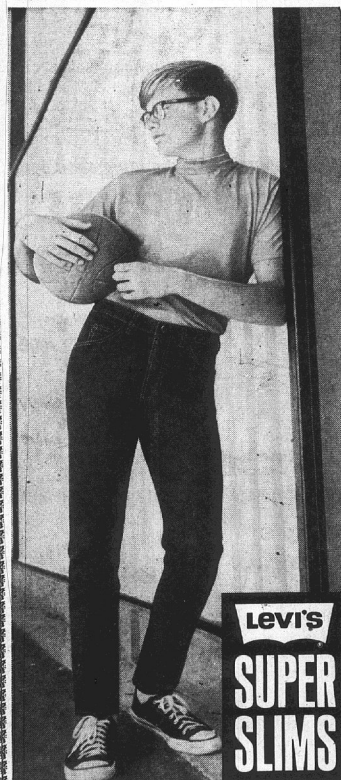

Mrs. John Norton, wife of Maj. Gen. John Norton, commanding general, Army Aviation Systems Command, St. Louis, has been awarded the Army Community Service pin by Col. Charles E. Hoskin III, Granite City Army Depot commander, for 100 hours of volunteer work.

Mrs. Norton is the volunteer service supervisor of 30 women from all branches of the service who have volunteered their time to the Granite City Army Depot Army Community Service office.

The service is a program to satisfy the need for a centrally located, responsive and professionally-based service to assist the members of the Army communities to meet personal and family problems that are beyond the scope of their own resources. It serves primarily as an information clearing house and coordinator, a depot spokesman explained.

"TOO GOOD TO BE TRUE?"

WHAT'S THE GIMMICK??? HOW CAN THEY DO IT??? WHY DID TRI-CITY GROCERY COMPANY GET INVOLVED???

These are some of the questions that have been asked about the recent Florida Vacation Promotion we had in our stores. THE SO-CALLED GIMMICK IS, THE Florida Hotels and Motels are looking for people to fill up their rooms in the "OFF-SEASON" and they have made arrangements with the Radcliffe Advertising Co. to make available rooms for 5 days-4 nights (without meals) or 4 days-3 nights with meals at the Country Club Motel, Lehigh Acres, Florida, just east of Fort Myers. I think this answers how they can do it, too. As to WHY Tri-City got involved, it's very simple, when we checked into this promotion we found out from the Jacksonville Florida Chamber of Commerce's "Better Business Division" that everything was legitimate and NOT connected with any "LAND COMPANY". We then decided that if any of our customers were thinking about taking their vacation in Florida during this time it would give them an opportunity to save quite a sum of money. TRI-CITY GROCERY COMPANY DID NOT RECEIVE ANY MONEY TO RUN THIS PROMOTION, IT WAS DONE SIMPLY TO SAVE MONEY FOR OUR CUSTOMERS WHO WOULD BE GOING TO FLORIDA.

CONGRATULATIONS . . . Mr. "Happy" SANDERS, JR.

Mr. W. E. Sanders, Jr. of 1022 Phinney, Alton, Ill., won the 7 Day — 6 Night Trip To Florida Which Includes, HOTEL, PLANE FARE, \$100 SPENDING MONEY 'N MEALS

Christmas Party Of Whittle Club

The Whittle by Whittle club held its annual Christmas party Monday night at the Levee District building. A pot luck dinner was held at long tables, with red Christmas punch served. Grace was offered by Mrs. Jo Gipson.

A weigh-in was conducted by Mrs. Rosalie Brumbaugh. Roll was called by Mrs. Nancy Bernaia and Mrs. Peggy Hackney, leader, conducted a business session. Plans were discussed for an anniversary celebration Jan. 13, with husbands to be invited.

A new member, Miss Sheila Tankley, was welcomed. Decorations were in keeping with the Christmas season, and gifts for exchange were placed under a tree adorned with ornaments brought by members during a weight contest. Winner of the ornaments was Mrs. Bernaia for going eight weeks without a weight gain.

Christmas songs were played in the background. Mrs. Vernie Von Nida was crowned "queen of the week," and a guest, Miss Idalia Molina, formerly from Honduras, was welcomed by the club members.

The remainder of the evening was spent singing Christmas carols. A prize was won by Mrs. Brumbaugh.

Others attending were Mesdames Mary Jo Akeman, Frances Coleman, Iris Gause, Edith Harris, Gladys Hutson, Sandra Ray, Norma Ruhl, Betty Robertson, Maggie Rull, Elvira Sharp, Jerry Skaggs, Shirley Sobolewski, Judy Webb, Carol and Ellie Moran and Misses Margerite Cross, Judy Garrison, Mary Beasley, Cindy Ward and Mary Wetzel.

The club will meet again Monday at 7 p.m. at the Levee building.

Nameoki Women Yule Luncheon

The Nameoki Women's club held its annual Christmas meeting in the home of Mrs. Donna Schaefer, 63 Karen drive, Wednesday.

Assisting Mrs. Schaefer as hostesses were Mrs. Muriel Vohl, Mrs. Pauletta Edith, Mrs. Peg Ogden, Mrs. Dori Blumenstock and Mrs. Millie Meek.

A luncheon was served. Decorations were in keeping with the Christmas theme, and greenery and lights adorned the fireplace.

During a business meeting conducted by the president, Mrs. Ertha Johnson, a letter was read from B. J. Davis, superintendent of schools, thanking the club for its stand on the Dec. 7 school bond election.

Mrs. Harold Jansen was accepted as a new member. A program was presented, with Mrs. Meek in charge. A piano solo was presented by a club member, Mrs. Betty Jo Hiles, and a guest, Mrs. June Branding, presented two Christmas songs and then led the group in singing Christmas carols.

Mrs. Meek presented the story, "Gift of the Magi." A gift exchange was held.

Attending were those mentioned and Mesdames Thelma Barney, Ethel Beeler, Betty Caldwell, Edith Chappee, Bernadine Cooley, Lloydine Davis, Lou England, Claudia Lentz, Maxine Mass, Marion Shotts, Blanche Steinberg, Verna Stuart, Ella Wade, Bess Weiss, Mary Werner and Margaret Williams and Miss Lily Dod.

The club will hold its next meeting Jan. 15 in the home of Mrs. England, 2 Terrace lane, with the hostesses to be Mrs. Chappee and Mrs. Werner. Mrs. Stuart will be in charge of a program on "Australia."

Marshall PTA Yule Program

The Marshall school PTA had a "full house" at a Christmas program was presented Tuesday night. Girl Scout Troop 709 led a pledge ceremony under the direction of Mrs. Vivian Davis, who offered opening prayer.

Mrs. Marilyn Smith, president, presided and thanked room mothers for helping to "get out the vote" in the Dec. 7 school bond election.

A new troop flag purchased by the PTA was presented. "Helping hand" posters were distributed for a block pupi protection program.

A youth group from Grace Baptist presented a choral reading. Ronald Joyce directed a Christmas cantata by the choir of Grace Baptist Church, with a theme of "Glory to God."

Mrs. Ann Osborn and Mrs. Patti Patterson had decorated the gym and cafeteria in a holiday theme.

The attendance banner was won by Mrs. Houston's fourth grade room. Next PTA meeting will be held Jan. 21.

Senior Citizens Dinner, Party

The Christmas dinner and party of the Anchorage Senior Citizens was held in the recreation hall Wednesday with about 100 present, including the office force of the project and the maintenance staff.

The invocation was given by Charles Motts and after the meal Mrs. Garvin Butler conducted the meeting. The program consisted of Christmas music and games, with prizes going to Mrs. Ida Cox, Mrs. Clara Stein, Mrs. Althea Mott, Mrs. Anna Easley, Mrs. Myrtle Behr, Mrs. Myrtle McDowell, Mrs. Esther Lang, and Mrs. Mary Meak.

The next meeting will be held Jan. 6.

MISS STOVANOFF IS SORORITY HOSTESS

Miss Ruth Stovanoff, 1211 Iowa street, entertained XI Epsilon Chi chapter of Beta Sigma Phi at a party in her home last night.

The members opened the meeting with roll call and the hostess, who is the social chairman, gave a report of the annual Christmas party in the home of Mrs. Norma Rains.

Beta "buddies" were revealed and new names were drawn. The social chairman, Miss Stovanoff, reminded the members of the presidents reception to be held at her home on Jan. 1 from 7-9 p.m.

Mrs. Juanita Calve gave the origin of Christmas and the hostess served a dessert course to those mentioned and Mrs. Bea Brackett, Mrs. Delores Dorch, Mrs. Norma Rains, Mrs. Arlene

SENIOR CITIZENS CHOOSE OFFICERS Senior Citizens of Venice re-elected Mrs. Ann Harden as president at a meeting in the Venice city hall clubroom Tuesday.

Other officers for 1969 will be William Meehan, vice-president; Mrs. Marie Zeigler, secretary; Mrs. Ann Hartman, treasurer; Mrs. Audress Brown, historian; Mrs. Mildred Pratt, chaplain; and Mrs. Nina Payne, Bill Butler and Mrs. Bess Snell, trustees.

Those serving on the nominating committee were Meehan, Mrs. Hartman and Mrs. Snell.

Committee reports were heard, and it was decided to move the meeting place to the new Venice recreation center in Lee Park effective with the Jan. 7 meeting.

The new officers will be installed by Mrs. Bess Stoll at a covered dish dinner Jan. 28. This week's business session was followed by a dinner and games. Others attending were Wesley Zeigler, A. J. Harden, Mrs. Nora McCold, Mrs. Myrtle Fields, August Daniels and a guest, Ned Lopez.

There will be no meeting on Christmas Eve. However, the Senior Citizens will hold a regular meeting on New Year's Eve.

Mrs. Stella Rule, 82, Dies; Former Resident Mrs. Stella (Dykeman) Rule, 82, of 1138 Hollywood Heights, Caseville, a former long-time local resident, died at 11:30 a.m. Wednesday at Memorial Hospital, Belleville. She had been ill two years and entered the hospital two weeks ago.

Mrs. Rule resided in Caseville the past 12 years. Previously, she had lived a number of years in Granite City. Her husband, Jesse Rule, died last year.

Surviving are one son, Elery L. Rule of Collinsville; three daughters, Mrs. Roy (Freda) Stuart of Kansas City, Mo., Mrs. Clarence (Leta) Perrine of Polk, Pa., and Mrs. Kermit (Dorthea) Kummermeier of East St. Louis; ten grandchildren and 14 great-grandchildren.

Funeral arrangements are given in today's obituary column.

CHRISTMAS THEME AT QUEEN ESTHER MEETING Mrs. Gertrude McManaway, 1638 Sixth Street, was hostess to the Queen Esther club of First Baptist Church Monday evening. The devotional, "What Does Christmas Really Mean?" was given by Mrs. Maxine Dacus, with prayer by Mrs. Velma Rideout.

Roll call was responded to by Mrs. Verna Willman, Mrs. Dacus, Mrs. Thelma Stockton, Mrs. Rideout, Mrs. McManaway, Miss Altha Lassen and Miss Nora Rogers by naming "good deeds."

Christmas carols were sung, accompanied at the piano by Mrs. Dacus. Games were played and prizes were won by Mrs. Rideout, Mrs. Dacus and Miss Rogers. A white elephant game was played, with each receiving a gift.

Gifts were exchanged and secret pals were revealed. Mrs. McManaway, class teacher, was presented with a gift. Refreshments were served by the hostess, assisted by her daughter, Miss Nancy McManaway.

Decorations were in keeping with the holiday season. At each place setting, Mrs. McManaway had arranged presents of silver and gold Christmas tree pins. The class was dismissed with prayer by Mrs. Dacus.

Brownie Troop 73 held a weekly meeting and Christmas party Monday afternoon at Har- nis school. Mrs. Thelma Stockton, leader, and Miss Laura Wilson met with the girls.

The meeting began with the pledge of allegiance to the flag, singing of the smile song, the Brownie promise and Christmas carols.

A gift exchange was held and decorated cupcakes and an orange drink were served. The meeting closed with the tunnel song.

Present were Christi Barnhart, Lisa Beville, Mary Kay Christ, Lisa Ingram, Kimberly O'Dell, Cecelia Riffe, Susan Schaffner, Sherry Grayson, Mary Ann Affeldt, Dawn Ray, Debbie Pruitt, Linda Witta, Elvina Winklemeyer, Cindy Robinson, Tammy Boyer, Jackie Ainsbury and Tebera Boyer.

SENIOR CITIZENS CHOOSE OFFICERS Senior Citizens of Venice re-elected Mrs. Ann Harden as president at a meeting in the Venice city hall clubroom Tuesday.

Other officers for 1969 will be William Meehan, vice-president; Mrs. Marie Zeigler, secretary; Mrs. Ann Hartman, treasurer; Mrs. Audress Brown, historian; Mrs. Mildred Pratt, chaplain; and Mrs. Nina Payne, Bill Butler and Mrs. Bess Snell, trustees.

Those serving on the nominating committee were Meehan, Mrs. Hartman and Mrs. Snell.

Committee reports were heard, and it was decided to move the meeting place to the new Venice recreation center in Lee Park effective with the Jan. 7 meeting.

The new officers will be installed by Mrs. Bess Stoll at a covered dish dinner Jan. 28. This week's business session was followed by a dinner and games. Others attending were Wesley Zeigler, A. J. Harden, Mrs. Nora McCold, Mrs. Myrtle Fields, August Daniels and a guest, Ned Lopez.

MORE ABOUT

State's Attorney

the evidence the state's attorney has against the man.

Examples Cited

Examples cited included an aggravated assault case where a preliminary hearing would have provided the defendant with names of witnesses, leading to probable harassment of witnesses, and the current Shell Oil Co. theft case where major evidence was provided during a preliminary hearing which lasted more than a week, resulting in lack of prosecution so far.

"We get phone calls for magistrates from all over the county. It takes a lot of time. I don't want you to think we're going easier on them. It's just the opposite. We do not intend to waste time on preliminary hearings."

Spith said he hoped the new system would go into effect this week or next week.

Granite City police Chief Ronald Veizer, who said he was first informed that a new policy would be adopted when State's Atty. R. W. Griffith was in court here Tuesday, that conferences would first be held with police departments in the county, probably in two weeks.

Surprise to Sheriff

The policy and details expressed by Smith came as a surprise to Sheriff George Musso and Chief Deputy Frank Schmidt when a Press-Record reporter asked them for comments after the board meeting.

Both said they had not been informed of any changes and that the state's attorney's office had not conferred with them.

Musso pointed to the Illinois code of criminal procedure regarding arrests, rights of defendants, bail, defense attorneys and other measures.

Schmidt commented that it is the duty of the police officer to make an arrest where possible when a law is being violated, and that if he does not do so, the officer may be held responsible.

The criminal code stipulates, in part that:

Criminal Code

"A person arrested without a warrant shall be taken without unnecessary delay before the nearest and most accessible judge in that county, and a charge shall be filed. A person arrested on a warrant shall be taken without unnecessary delay before the judge who issued the warrant or if he is absent or unable to act, before the judge or most accessible judge in the same county."

According to the code, the judge shall inform the defendant of the charge and provide him with a copy of it, advise him of his rights, hold a preliminary hearing and admit the defendant to bail according to provisions of the code.

Musso said that since Griffith is his legal advisor, he would follow the policy set.

200-Case Backlog

At the same time Smith pointed to a backlog of 200 felony cases in the state's attorney's office. "We hope to have most of these disposed of or tried in January," he said. "We are going to do it."

Many will be dismissed, because files in the state's attorney's office include only a copy of the indictment, he said, claiming that the county is "in crying need for a central records system."

"This would involve the cooperation of 30 police departments and other law enforcement agencies in the county, and employment of one central records clerk," he said, adding his department has no way of knowing of any past criminal records.

The normal load should be about six felonies, and "we hope to reach that figure by June," Smith said.

The only time a bond is issued, he continued, is in cases where flight may be involved, or if the crime will be re-committed. "But we must have information in our files to convince a judge that a defendant should not be released on bond."

"These birds are presumed innocent until we can hang them," Smith also stressed that his office will not be willing to reduce any felony charges, and would push for trials in all cases.

"If we delay a case, the Illinois Supreme Court says, 'you have no right to deny the defendant his constitutional right for a speedy trial.'"

Yule Candles Stolen

Two large electric Christmas candles were stolen during the night from the front yard at the home of Elmer Ebrecht, 2825 East 27th street, he reported at 8 a.m. Tuesday. They were valued at \$16.

Horse Trailer Stolen

A two-hour trailer owned by Shelby Travis, 2024 Bryan avenue, was stolen from the farm of his brother on St. Thomas road after midnight. Mrs. Travis informed the Madison county sheriff's office at 6 p.m. Tuesday.

Social Concerns Council Meets 'Beneath Society'

"Fantastic" and "very interesting" were among the comments made by members of the Quad-Cities Social Concerns Council following a demonstration and tour of the "Beneath Society" facilities at 2301 Wappington avenue.

Council members met Wednesday at the Quad-Cities' latest youth recreation center at the invitation of co-owners, Bill Sterns and Larry Keel, to familiarize the group with the style of entertainment and operations of a commercial enterprise dealing with today's youth.

The Quad-Cities Social Concerns Council is composed of representatives from 30 welfare, youth, education and similar agencies.

Marvin VanMetre, council president, conducted the regular business meeting, with reports presented by various committees concerning current projects. Eighteen agencies were represented.

Highly unusual visual effects, including rapidly flashing strobe lights and projectors situated about the room that simultaneously show old-type movies with written sub-titles and psychedelic lighting, were demonstrated by the co-owners, who explained the operation is limited to teenagers 13 years and over on Friday night, and 16 years and up each Saturday evening.

Sterns and Keel, both Vietnam war veterans, told council members the facility is open from 7:30 to 11:30 p.m. on the two evenings, with young people dancing to live music furnished by the same musical groups which perform at the YMCA.

Weapons Charges Filed

James L. A. Little, 28, of 1506 Madison avenue, east U. S. Grant Thompson, 49, of 1227 Iowa street, Madison, were arrested at the West Side tavern Wednesday night and charged at 11:55 p.m. with unlawful use of weapons, a .32 caliber automatic and a .38 caliber pistol, and with failing to have firearm owner's identification cards.

Autos Collide

Involved in a collision about 6 p.m. Wednesday at Nameoki road and Clark avenue were autos driven by Logan Donaldson, 1536 Fifth street, Madison, and Harold Hinds, 2449 Madison avenue. Police said both cars were northbound.

Home, Auto Damaged

Dudley Robertson, 2807 (r) East 25th street, reported at 7:50 p.m. Wednesday that vandals broke a side window of his home and cracked the windshield of his 1964 auto after 5 p.m.

Man Cut in Assault

Preston Bishop, 1717 Edison avenue, reported at the police station at 9:55 p.m. Wednesday that he had been cut by an assailant at East 20th street and Park avenue. His left forearm was bleeding and he was treated at St. Elizabeth Hospital for two cuts. Police said the victim and the assailant gave conflicting stories and no arrest was made.

Christmas festivities will be held at Hope on Monday, Dec. 23, with a unique "Christ-Mass" service at 8 p.m. under the direction of former vicar, Donald Tanner. The youth of the congregation will have a prominent part in the service which is intended for the entire congregation.

On Christmas Eve, the congregation will worship at 7 p.m. with the children of the Sunday school participating. The Christmas message will be presented through drama, readings, and song in nine scenes. There will also be appropriate recitations with the congregation and church choir singing Christmas hymns.

At 11:30 p.m. Christmas Eve the traditional candlelight service will take place with the church choir featured. Donald Tanner will lead the congregation in both services.

Christmas Day the festival worship service will begin at 7:30 a.m. when members will close the year in celebrating the Holy Supper. There will be no worship services on New Year's Day.

The congregation will deliver Christmas baskets to a number of needy families, the names supplied by Protestant Welfare Association.

Kenneth V. Reeves, minister

This year, the First Church will have two programs, at 10:30 a.m. and 7 p.m. Dec. 22. The Sunday school will be at the usual hour, 9:30 a.m., followed by a "Children for Christ" program at 10:30 directed by Mary Lou Hudson.

On Sunday evening the choir will present a "Christmas For Christ" program in song directed by Rosalee Hudson. It will begin at 7 o'clock.

West 22nd Street Baptist Church
2800 West 22nd st.
Rev. Rudolph Noel, minister

Christmas carols will open the program to be presented by the church Sunday, Dec. 22 at 7:30 p.m. The carols will be led by the choir director, Gene Dixon, and each department will present its own program.

There will be a short talk by Mrs. Winifred Anderson, Women's Missionary Society president, on the Little Moon Christmas offering and its application to foreign missionaries. The public is invited to attend the services.

Special services to be held Sunday, Dec. 22, at Nameoki United Methodist Church will include the morning worship at 10:45 with both the Junior and Chancel Choirs singing. The In-

troit, "Christ Is Born" and the anthem "No Candle was there and No Fire" will be sung by the Chancel Choir, and the offertory anthem by the Junior Choir will be "Little Jesus."

Mrs. Richard Branding and Miss Janet Young are directors of the two choirs. The pastor will deliver the Christmas message on the topic "Where Is Bethlehem?" and for the benediction the Chancel Choir will sing Handel's "Halle-

At 7:30 p.m. the annual Christmas program will be presented under the direction of Mrs. William Fester. The theme will be "The Little Drummer Boy," an old carol also known as "Carol of the Drums." Five Choirs will participate. The program will take place in the church sanctuary.

It's always a good time to buy an Accutron timepiece. But the best time is right now. The Accutron timepiece has no balance wheel, no mainspring, no hairspring. (Therefore no tick) Instead it has a tiny, electronically-powered tuning fork. (That's what makes it hum.) The tuning fork splits a second into 360 equal parts. The best a ticking watch can do is divide a second into 5 or 10 parts. Accutron time is so nearly perfect that Bulova guarantees monthly accuracy to within 60 seconds.

Peace Lutheran Church
2540 Stratford lane
Rev. Carl Johnson, minister
The church Sunday school of Peace Lutheran will present a special Christmas program Sunday, Dec. 22, at 4 p.m. Kindergarten through high school classes will participate with chorals and antiphonal reading recitations, self-expression, special music and decorating of a Christmas tree with Christmas made by the pupils. A fellowship hour will be held after the program for members and all friends.

The worship at Peace this year will be highlighted with Christmas carols, the Christmas Gospel and candles to be lighted by all. The "Light of the World" will be the sermon topic as well as the theme of the service as worshippers enter the church by a candlelit walk. The service will begin at 6:30 p.m. so that young and old are able to worship together. "Gifts, Gifts and the Gift" will be the title of the sermon as worshippers gather at 10 a.m. Christmas morning. Special music will be provided by the Youth Choir at both services.

Emmanuel Baptist Church
1800 Pontoon road
Rev. Vernon D. Covington, minister

Skits by the children of the Sunday school will highlight the Christmas festivities of the church on Dec. 22 at 7:30 p.m. There will be treats for all of the children.

On Dec. 28, "student night" will be observed at 7:30 p.m. with a sermon for all of the young people at home for the holidays from various schools and colleges and for service men on leave.

Good Shepherd United Methodist Church
3025 National ave.
Rev. H. L. Bremer, minister

"The Star That Still Shines" will be the title of the Christmas program to be presented at the church Dec. 22 at 7 p.m. Twenty people will participate in addition to the Chancel Choir.

A candlelight service will be held at 7 p.m. Christmas Eve and "A Child Is Born To Us" will be the special number by the Chancel Choir.

Niedringhaus United Methodist Church
20th str. & Delmar ave.
Rev. R. Paul Sims, minister

The church school classes will meet jointly on Sunday, Dec. 22 in the sanctuary for a special program on "Christmas Gifts For Christ." The Cherub, directed by Mrs. R. Paul Sims will sing.

A play, "Christmas Comes to the Careys" by Joy Sterling, will be presented by the Youth High department. The play will be directed by Mrs. Virgil Moley and Mrs. Burt Treadwell. The cast will include: Carol Sims, Terri Davis, Bill Simpkins, Bob Miller, Pat Humminger, Glenn Williams, David VanMetre and Susan Mobley. At the close of the program, each person will present his Christmas gift for Christ at the base of the sanctuary tree.

The worship services are to be held at 8:30 and 10:40 a.m. Rev. Sims will preach on the theme "The Person of Christmas," the fourth in a series of sermons on the meaning of Christmas. The children's sermon at 10:40 will be presented by Rev. Dean Blackburn, associate minister.

The anthem for the 8:30 service will be sung by the Youth Choir directed by Warren Simpkins, and accompanied by Miss Christy Ashcraft. At the 10:40 service the anthem will be sung for the presentation of the special Christmas offering, "The Christmas Gift For Christ," which will be used for gifts to the United Methodist Fund for Reconciliation, the East St. Louis District Missionary Society, and local church needs.

Central Christian Church
2020 Johnson road
Rev. James Craddock, minister

The usual schedule of services will be followed Sunday, Dec. 22, with the church school classes at 9:30 a.m., followed by the morning worship at 10:45 a.m. Events of the day will center on the Lord's birth.

A special offering will be received for the support of the 19 benevolent homes, maintained by the Christian Church, the nearest being St. Louis Christian Home for Children, and Illinois Christian Home in Jacksonville for the aging.

At 10:45 the hymns, special music and message will be in keeping with the season. Mrs. Orntana MacDonald, organist, will play the prelude "Journey to Bethlehem," the Communion hymn "To Shepherds who Watched by Night," and other numbers. Joseph Hanson will sing the anthem "Good Christian Men, Rejoice," and for the offertory there will be a contralto solo by Mrs. Hanson.

Church of God
Orville and Vine sts.
Rev. R. J. Epps, minister

On Friday, Dec. 20, the program will be given at 7:30. There will be recitations and songs by the children, and the teenagers will present a play entitled "Another Babe of Bethlehem." It will be directed by Mrs. Georgia Hindman. The principal roles will be portrayed by Linda Nelson, Marlene Epps and Bobbi Epps.

On Sunday, Dec. 22, there will be treats for the children and the Christmas message by the pastor at the 10 a.m. worship service.

OPEN SUNDAY NOON - 9 P.M.

St. John Lutheran Church
St. Clair Ave. at Dale
Rev. Samuel Boda, pastor

The seventh annual Christmas candlelight service of the church will take place Sunday, Dec. 22, at 7 p.m. Several choruses from Handel's "Messiah" will be featured, together with a chorus from Bach's Cantata 78, "We Hasten, O Jesus."

The service will open with the traditional candlelight procession which this year will wind its way into the chancel of the sanctuary where Christmas hymns around a live Nativity scene will be sung.

Both the children's choir, under the direction of Mrs. Ann Cowan, and the senior church choir directed by the pastor, will participate in the procession.

Each choir will then present several Christmas anthems, with the congregation joining in. A new feature will be presentation of carols by a girl's guitar ensemble. This group also will sing at the following downstairs, following the service, at which time refreshments will be served to all by the Women's Service Guild.

Accompanying the choir at the organ will be Miss Alta Bollinger, Soloists will be Mrs. Josephine Dial and Mrs. Diane Gebhardt.

Christmas Eve will find the congregation assembling at 7 p.m. to join with the children of the Sunday school who will give several recitations. Those from the Beginner department through the sixth grade will take part. Symbols on large placards will be used as the background for the children's verses and Christmas hymns. The program, "Behold The Light" by Ann L. Meyer will be the basis for the worship service.

On Christmas day the congregation will gather at 10:30 a.m. for a festival of worship. John T. Sovereign will furnish trumpet accompaniment to the congregational singing of Christmas hymns and the choir will sing a festival anthem.

New Year's Eve will offer members of the congregation an opportunity to close the year with a Holy Communion worship service at 7 p.m. On New Year's Day the congregation will open the new year with worship at 10:30 a.m. Christmas baskets are being filled by organizations of the church for delivery to the needy.

**UF Committee
To Study Agency
Allocations**

A substantial subscription in the Professional division (medical) was received by the Tri-Cities Area United Fund campaign this week to push the division over its goal of \$10,000, it was announced by John Solenberger, executive director, at the UF board meeting Monday afternoon.

A. P. Steinhauer, president, presided, and 16 directors and three agency delegates were present. The meeting was held at the YMCA.

Solenberger reported on the United Fund campaign for Thomas R. Remington, drive chairman, and said the total raised to date was \$383,562, or 92.5% of the \$387,104 goal.

By action of the board, the question of allocations was referred to the Admissions and Distribution committee headed by Paul Kemp. The members will meet after Jan. 1 to prepare recommendations. In recent years if the UF campaign did not reach the goal, monies were taken from the contingency reserve to provide amounts to agencies for specific needs. Solenberger said this will not be possible next year as the reserve is not sufficient.

Steinhauer announced his appointments to the nominating committee for replacement of directors and a new slate of officers. A report is to be presented to the membership at a meeting set for Friday, Feb. 14.

C. E. Townsend was named chairman for the committee, with Howard Kaseberg, Homer Huber and Harold R. Fischer as members.

Solenberger said the campaign is officially closed but the office is still taking late contributions.

Study-Travel Tour of France Offered by SIU

A two-month study-travel program in France will be offered next summer by Southern Illinois University.

Starting June 20 with a charter flight from St. Louis, the program will be based at the Institute d'Etudes Francaise de Touraine in the Loire valley City of Tours.

Tour Director David Gobert, assistant dean of liberal arts and sciences and associate professor of French at SIU, said junior and senior level courses in French will be taught by institute professors.

Estimated expenses are \$1060. Students interested may contact Gobert on the Carbondale campus.

Students Sought for YMCA Work in China

Students to participate in an international service-study program in the Republic of China next summer are being sought now by Illinois State University and the Bloomington-Normal YMCA, joint sponsors of the program.

A maximum of 26 students will be eligible to participate. They will spend seven weeks in Taiwan, most of that time teaching conversational English at Chinese YMCAs in Taipei, Tainan, Kaohsiung and Taichung. In addition, by enrolling in the ISU summer session, they make arrangements to earn three or six hours of college credit.

Flu Cases Increasing At Carbondale Campus

Although there has been a marked increase in the number of 'flu cases reported during the past week, the incidence is still less than at this time last year, according to physicians at Southern Illinois University health service at Carbondale.

Miss Kinney Receives Scholastic Honors

Diane S. Kinney of Granite City recently received a certificate of scholastic achievement from Gamma Sigma Delta, national agriculture honorary society, during the society's annual junior recognition banquet on the University of Illinois campus.

Daughter of Mr. and Mrs. Donn Kinney, 2639 East 23rd street, she is majoring in food science.

She was one of 84 to receive the honor which goes only to juniors who have maintained at least a 3.75 average through their sophomore year based on a 5.0 system.

An even greater number of 'flu cases is anticipated when the 2,500 Carbondale campus students return from the Christmas holidays, the doctors said. Holiday travel undoubtedly will spread the ailment.

SCHOLASTIC ACHIEVEMENT certificate from Gamma Sigma Delta, national agriculture honorary society, presented to Diane S. Kinney of Granite City by Dean Warren K. Wessels at the University of Illinois.

GC Soldier Presents Ode to a Combat G.I.

One month after his 18th birthday and two weeks following his marriage to a Rochester, N. Y., girl, PFC Stanley E. Volner, son of Mrs. Ina Messinger, 2196 Cleveland Blvd., was assigned to Vietnam. He arrived over there in mid-August.

Currently serving with Co. D, 4th Engineers, 4th Infantry Division near Pleiku, in the Central Vietnamese highlands, the youthful soldier recently sent to his sister, Mrs. Gregory Weeks, 3821 B street, Pontoon Beach, a composition describing the life and thoughts of a G.I. in Vietnam, whose average age is 18 1/2 years.

Pfc. Volner enlisted in the Army in October 1967, shortly after his 17th birthday. He had attended Granite City high school and was employed at the local Army Depot prior to joining the service.

The serviceman was married here Aug. 2 to the former Miss Gail Desmond, who presently is staying with her parents, Mr. and Mrs. Forrest Desmond, at their home in Rochester, N. Y., while her husband is overseas.

Following are excerpts from

"Ode to a Combat G.I.," submitted by Pfc. Volner:

Worries About Living
"Vietnam is still a pop art oddity 12,000 miles away. The public worries about living with a possible tax increase; officials worry about living with world opinion; the G.I. just worries about living."

"His world there is nightly blackout and mortar traffic. It is alive with body trash that can blow his legs or his life to shreds. It is occupied with enemy and ally who look exactly alike."

"He would give a month's pay for a sound sleep, and ten years of his life for a night at home. He is not a bit-player in a comic opera conflict; not a trump in an international card game; not a loser in a mud fight, but just as far as the muddy and bloody pictures in the newspaper."

"Moreover, he is usually a very young American citizen in a 'thin skin of a fox.' The average age of a Combat G.I. is eighteen-and-a-half. But what a man he is!

"A pink-cheeked, tousle-haired, tight-muscled fellow, who, under normal circumstances, would be considered by society as a half-man and half-boy, not yet dry behind the ears—a pain in the employment chart."

No Material Possessions

"He is, for the most part, unmarried and without material possessions, except for possibly an old car at home, and a transistor radio here. He listens to rock-roll and the 1060m howlers. He has learned to like what he has, and he has learned to live by now, mainly because he

is cold. He smokes because he gets free cigarettes in his C-ration package.

"He still has trouble spelling, and writing letters home is painful; but he can break down a rifle in 30 seconds and put it back together again in 28. He can explain the nomenclature of a fragmentation grenade, explain how a machine gun operates and, of course, utilize either if the need arises."

"He obeys without hesitation, but he is not broken! He has seen more suffering than he should in his short life. He has stood among hills of bodies and has helped to construct these hills. He has wept in public and in private and he is not ashamed in either place because his pals have fallen in battle and he has come close to joining them."

Becomes Self-Sufficient

"He has become self-sufficient. He has two pairs of flippers; he washes one and wears the other. He sometimes may forget to brush his teeth, but not his rifle. He keeps his socks dry and clean and he can cook his own meal and fix his own shorts and mend his boots—natural or mental."

"He will share his water with you if you thirst; break his ration in half if you hunger; split his ammunition if you are fighting for your lives. He can do the work of two civilians and draw the pay of one. He has learned to use his hands and his weapons and use his weapons as his hands. He can save a life or, most assuredly, take one."

"Eighteen-and-a-half-years-old and what a man he is already."

6 GC Youths Win Medals In Ozark AAU Swim Meet

Six Granite City youngsters won medals and one broke an existing record and tied another mark in the Ozark AAU "All-Around Age Group" swimming

minute, 21.2 seconds. The Frohardt school pupil also tied the Ozark district mark for 50-yard breaststroke with a time of 37.7 seconds.

Others who received medals were Ann Bickhalt, daughter of Mr. and Mrs. Ernest Bickhalt, 208 Main avenue, who placed fifth in the 15-17 age group; Erik Cunningham, son of Mr. and Mrs. Fred Cunningham, 13 Frontenac, 2nd place, 13-14 age group.

Karm Reisinger, daughter of Mr. and Mrs. Herbert Reisinger, 2242 State street, placed fifth in the 13-12 group, while her younger sister, Judy, earned 8th place in the 10 years and under division, and placed fifth in the 11-12 age group.

Also competing from Granite City were Michael Baggot, Todd Cunningham and Terry Hollis. All local contestants entered the meet under the auspices of the East St. Louis YMCA.

The marathon-style swim meet was staged on three Sundays, with swimmers competing in three events at each session. More than 150 youngsters were entered.

Mark Bueger, son of Mr. and Mrs. Earl Bueger, 2128 Lindell Blvd., smashed an Ozark AAU record by two full seconds in the 100-yard breaststroke for 10 years and under, swimming the distance in one

minute, 21.2 seconds. The Frohardt school pupil also tied the Ozark district mark for 50-yard breaststroke with a time of 37.7 seconds.

Father Knicks Deer, Son Finishes the Job

A deer which his father knicked in the early part of the current hunting season was bagged by a son, Harley Barton Jr., during an outing last week at Williamson county.

Young Barton, 14, of 2310 West 23rd street, knew it was the same animal because his father had shot part of a right antler off of the deer.

It was an eight-point buck, the first for the boy, and field dressed at 177 pounds. He was accompanied on the trip by his father, Harley Barton Sr., and Floyd Graham.

EIGHT-POINT BUCK bagged by 14-year-old Harley Barton Jr. this month, the same animal which lost a part of an antler (at left) when it was shot by Barton's father in the earlier season in Williamson county.

Collection of Books, Papers Given to SIU

A number of significant collections of books and manuscripts have been acquired by the Morris Library at Southern Illinois University, Carbondale, in recent months. They include:

- About 200 selected letters of the brother-in-law of Ulysses S. Grant, a collection of personal papers and books on birth control and sex education, a six-volume set of art books on Chinese paintings and a collection of books on extrasensory perception, occultism and related phenomena.

Ceramics Exhibit on Display at SIU-SW

A one-man exhibit of ceramics, sculpture and pottery is on display in the University Center at Southern Illinois University's Southwestern campus through Sunday.

The artist is Tom Reedy, a graduate student from Atwood.

Four Civil Air Patrol Cadets to Attend Meet

Four Civil Air Patrol cadets were selected by Col. James Howard and Group 13 staff members to attend a special activities review board session Jan. 4 and 5 in Chicago.

Three of the cadets are from the Granite City CAP squadron. They are CWO Bradford L. Pulaick, CWO Pete Schoder and CWO Linda Fulkerson. The fourth is Cadet William Hubert of the Lewis & Clark squadron at Alton.

They were selected from cadets in Group 13 who have completed the cadet course and earned their Betty Mitchell award.

In Chicago they will compete with cadets from Illinois for a limited number of openings in special activities. They will be given a test of 2000 questions on current events and interviewed by the wing commander. They are to be selected on the results of the test and on their conduct while in Chicago.

Special activities include the International Cadet Exchange

where a male cadet is chosen to travel in a foreign country, and the National Cadet Exchange where the girls are chosen to travel in the United States.

The activities are sponsored by the U. S. Air Force and the CAP at no expense to the cadets.

The Granite City squadron meets at 7:30 p.m. Thursdays in the Civil Defense building at 141 Nineteenth street.

Miss Betty Pisel is cadet leader and the squadron leader is Paul Pettit.

Youths interested in the program may contact Miss Pisel or phone GL 2-4193 after 4:30 p.m. The minimum age limit is 13.

Squadron activities include drills, campouts, parades, assistance in times of emergency, and in the summer, attendance at a training course at an Air Force base. Cadets also become eligible for flying lessons at cut rate costs.

Squadron leaders have headquarters at the Civic Memorial Airport near Bethalto.

Assumption High Band Concert Set Sunday

Stan Soboleski, 1004 Alton avenue, Madison, a student at Assumption high school, will play in the first concert of the season to be conducted by the Catholic Band Program of East St. Louis at 3 p.m. Sunday in the Assumption gym.

Christmas music will form the nucleus of the concert with a large variety in supplement.

The program comprises bands of three levels—the Cadet (beginner) band, the grade school (intermediate) band and the high school band composed of 62 members, including students from St. Teresa Academy.

The band program is sponsored and financed by Assumption high school with the aid of the Catholic Band Parents Association. It is staffed by two directors, Philip M. Atkins and George Johnson.

Tickets at 50 cents for adults and 25 cents for students will be available at the door.

Madison Students Get Full Christmas Holiday

The Madison board of education is to revise its current school calendar declaring special holidays during the Christmas season at its meeting tonight.

There will be no school on Dec. 23, 26, 27, 30 and 31, leaving tomorrow as the last day of school during 1968. The dates previously were included in the school calendar to assure the number of school days required in the state school code.

The holiday in the Granite City and Venice school districts also is scheduled to begin with the close of classes tomorrow. Students in Granite City and Madison are to return on Jan. 2, while the Christmas vacation at Venice schools will be extended to Jan. 6.

Miss Huelskamp Given Stewardess Assignment

Miss Lois Jeanne Huelskamp, daughter of Mr. and Mrs. Ralph Huelskamp, 2720 Edwards street, has graduated from Eastern Airlines' in-flight training school in Miami, Fla., and has started her career as a stewardess.

She is a graduate of Granite City high school and an alumna of Southern Illinois University. She was honorary citizen of Granite City in 1968 and was Miss Granite City the same year.

After completing stewardess training, Miss Huelskamp reported to Chicago where she will be based. She will fly to many of the 116 cities Eastern serves in 26 states, the District of Columbia, Canada, Mexico, Puerto Rico, Bermuda and the Bahamas.

MICHAEL HOUSE

Sacred Heart Student Wins Washington Trip

Michael House, 11, a sixth grader at Sacred Heart School, won a first prize in a national essay contest and a three-day expenses paid plane trip to Washington, D. C., during the presidential inauguration week next month.

The youth had composed and submitted a 200-word theme on the essay title "The President As a Leader," sponsored by the Kroger Co.

The winners are to be accompanied to Washington by teachers in the area. Further details are to be announced.

Young House and his teacher, Sister Thomas Marie, were informed of his selection Tuesday. His parents are Mr. and Mrs. David House, 2924 Iowa street.

Indian Wedding Set Friday at SIU-SW

Vykatapathi Thota, assistant professor in Southern Illinois University-Southwestern campus, education division, will be married Friday to Miss Rana Garia Kunapareddy of Hyderabad, India.

The wedding will take place from 4 to 5 p.m. in the auditorium of the Communications building, with S. V. S. Sarma of St. Louis performing the ceremony.

Prof. and Mrs. Eldon Madison of Alton will represent the groom's family; the bride will be represented by Dr. and Mrs. Tunnala of Detroit. The ceremony will be followed by a reception lasting until 9 p.m.

Until Dec. 6, when the SIU-SW professor met his prospective bride in New York, Thota had not seen Miss Kunapareddy since coming to the United States in 1961. The marriage was arranged by his family, also from Hyderabad.

The future Mrs. Thota will enter the winter quarter as a sophomore. She spent a year in college in Hyderabad. The couple will live in Edwardsville.

Lovejoy Library Given Books on Accounting

An "invaluable source of information in the field of accounting" has been received by the Southern Illinois University-Southwestern campus Lovejoy library, according to Donald Thompson, business librarian.

Through the cooperation of the National Association of Accountants, the library has received 48 volumes of management accounting covering the years 1919 to 1967. They are a gift of the accounting firm of Ernst & Ernst, Philadelphia office.

Residence Hall Rates May Be Hiked at SIU

Rising costs of food production and building maintenance may force an increase in Southern Illinois University residence hall rates.

Cardinal campus Chancellor Robert MacVicar said studies have shown that costs are escalating beyond income in all but one of the SIU living areas. The exception is a trailer court for married students.

The University now charges \$78 per academic year (three quarters) for room and board in its main residence halls. The figure is lowest of any state school, except Western Illinois University which charges \$82.

Among factors cited: Residence halls rate adjustments have averaged three percent a year since 1957, while salaries and wages have gone up five per cent yearly.

Food prices and labor costs have been estimated to go up from four and one-half per cent to next year.

Building, equipment and furniture replacement programs. Physical plant services cannot be subsidized from state funds for work it does for campus residence halls.

Building, equipment and grounds maintenance costs are up.

Theater Program at SIU-SW Is Explained

Theater studies at Southern Illinois University-Southwestern campus don't just learn to read these things well, they learn what makes the theater tick.

According to Prof. Lynn Kluth, director of the university theater when a student is graduated from the local campus he knows something about every facet of producing a play.

At SIU-SW the speech faculty is avoiding the "bits and pieces" fashion of teaching which is prevalent in so many schools.

It is not an extra-curricular activity, Kluth says, "It is a serious program for serious students."

"We set out to put bits and pieces together to ensure that the student could look back on four years of integrated experience in the theater skills."

"Our problem was coming up with a plan that would see this integration took place at all levels. We believe we have it solved."

What is the theater program all about? In the most fundamental sense, Kluth says, "It is two parts of a whole. First, it is a carefully devised complex of training studies in which students learn the art of the theater; and, second, it is an extensive and continuous series of major and minor theater presentations staged for the campus and community audiences."

Driver Is Charged

A charge of failure to do duty upon striking an unattended vehicle was placed against Michael Zeffo, 2409 Cardinal court, following an accident in the 2100 block of State street, where the parked auto of C. T. Beasley, 2123 State street, was hit Tuesday afternoon. Police said Zeffo later appeared at the police station to report the accident.

Hearing Is Told Mal Landfill Operates at Loss

Four more witnesses appeared Tuesday at the second phase of Madison County Zoning Board of Appeals hearing on a proposal to expand the Mal landfill on Chouteau Island, followed by another recess until Jan. 16.

In two earlier hearings, residents of the area voiced opposition to a proposal by the city of Madison to lease a 12.5-acre tract of land across old-by-pass U. S. 56 from the present Mal landfill to the Mal Landfill Corp. for an extension of the dumping area.

Those called as witnesses Tuesday in a hearing at the courthouse in Edwardsville included Dr. John E. Lee, mayor of Edwardsville, who said his interests in the landfill operation to James Foley, an employee of the First National Bank of Edwardsville, Dr. Lee is chairman of the bank board.

Operate at Loss

Other witnesses at the landfill operation, William Miller of University City, Mo., and Leo Able of Madison, said they operate the landfill while Foley manages the books. Miller said the landfill operates daily and receives from 150 to 200 loads of waste each day. Four to five acres have been filled in the past few months, he said.

Building, equipment and grounds maintenance costs are up. The final witness was Maurice Wickens, Alton real estate dealer who said he had appraised the land in question and believed its high value lies in agricultural use. He said operation of the landfill has cut property values 20% in the area.

State Student Grant Applications Available

Applications for grants for college study during 1969-70 are available through the Office of Student Work and Financial Assistance at Southern Illinois University-Southwestern.

The grant program, administered by the Illinois State Scholarship Commission, provides aid on a non-competitive basis according to need. Applicants must be citizens and Illinois residents. Financial need is determined by analysis of information submitted by the applicant and parents.

Grants up to \$1200 are available for full-time, undergraduate study. Grants may be used only for payment of tuition and mandatory fees.

Deadline for applications to the Illinois State Scholarship Commission is Feb. 1, 1969.

Mrs. Anna Lee Martin, 65, Dies in St. Louis

Mrs. Anna Lee Martin, 65 (nee Gozda) of Rural Route 4, Edwardsville, died at 12:30 a.m. Wednesday at the Missouri Pacific Hospital, St. Louis. She had undergone major surgery and was taking radium treatments. Ill for eight years she had been a hospital patient for three months.

A native of St. Louis, she resided in Granite City for a few years, making her home in Edwardsville for the past 40 years. She is survived by her husband, John B. Martin.

Funeral arrangements are given in today's obituary column.

Michael McClary Leaves For Great Lakes Center

Michael McClary, 19, son of Mr. and Mrs. George McClary, 4385 Highway 162, departed Tuesday for Great Lakes Naval Training Center, near Chicago, where he will spend the next eight weeks in basic training. He enlisted in the U. S. Navy on Nov. 14 at St. Louis, signing up for a four-year tour of duty.

A 1968 graduate of Granite City high school, the serviceman has been employed by A. G. Edwards, a stockbroker firm in St. Louis. His parents entertained at their home with a farewell dinner, with relatives and close friends.

Chancellor to Assume Added Role-Teacher

Chancellor John S. Rendleman of SIU-SW will assume an added role in the winter quarter. He will teach a junior level course in Illinois government.

The course, good for two quarter-hours of credit, will be taught every Wednesday from 5:30 to 7:30 p.m.

For the chancellor, the classroom is familiar ground. His career at SIU began in 1951 when he was named an assistant professor of government and acting legal counsel. He holds the rank of professor.

He has served as a special counsel for the Illinois Budgetary Commission, was a member of the state legislature's Commission on Reorganization and served as a special assistant attorney general to study the Illinois welfare and building bond issue in 1961.

In 1964, Dr. Rendleman was named vice-president for business affairs. He moved into his current position as chancellor here last summer.

Traffic Counts Ordered to Get Light at Frohardt School

An order for the police department to make traffic and pedestrian counts to determine if the city qualifies for school crosswalk signal lights at Frohardt school was issued Monday night by Granite City council members.

The city was notified by the state highway department that to qualify for use of motor fuel tax funds for such an installation at an intersection or school crosswalk, there must be a minimum of 250 vehicles an hour and 25 children per hour. For a mid-block installation, the minimum counts are 900 vehicles and 250 pedestrians in any given two-hour period.

Robert Kronst, district state highway engineer, said that the city that the lighting system on concrete and wooden poles along Nameoki road were only one foot from the curb-line and posed hazards that could result in traffic deaths or serious injuries.

He pointed out that no permit was obtained from the state for

such installations, and that the poles should be replaced with aluminum break-away poles at the edge of the easements.

The letter was placed on file, with copies to be sent to Illinois Power Co. and Southwestern Bell Telephone Co.

In the same letter, Kronst said the conditions at East 24th street and Nameoki road could be corrected if the utilities obtained an easement for relocation of the pole in the sidewalk, and that drainage from a Rodrick restaurant downspout, instead of being permitted to drain on the sidewalk, could be diverted to a tile to go through the curb and empty into the gutter.

"That's the property owner's and city's responsibility," the state engineer added.

Council members voted for preparation of a resolution re-designating Research Planning & Design Associates, St. Louis, as the city's motor fuel tax and consulting engineer for 1969.

Alderman Johnson noted the firm has numerous projects under way in the city and any changes could cause delay for such work as the continuation of the Johnson road improvement.

Voting began preparation of

the resolution were Aldermen Rutledge, Fry and Jarrett.

Johnson called for preparation of a resolution for transfer of funds from sales tax to the consulting engineer's monthly retainer of \$300 a year for several months. Atty. Allen pointed out he was at a loss how to prepare the resolution since there is no engineering fund in the city's current budget.

Again seeks Walk Light. Alderman Poulos again asked for the city to request the state highway department to install "walk" lights for the electric traffic signals at the hospital entrance, Niedringhaus and Madison avenues.

He also called for a study to determine if tracks can be removed across East 23rd street at Monroe street, and extending from East 24th street. He was referred to Granite City Steel Co. for more information.

Bartoski said he had tried two years ago to get the tracks either removed or lowered and there was a possibility that Granite City Steel Co. would abandon the right-of-way. "I believe they're looking up the pricing demands for possible sale of the right-of-way to adjacent property owners," he added.

No-Parking Requests. Held in abeyance was a request by Alderman Robertson for an 80-foot no-parking zone on the north side of the westbound

parkway lane of 27th street, west from State street. An ordinance is to be prepared for a 20-foot no-parking zone on the north side of 1st street west of Washington avenue.

Alderman Dallas and City Inspector Jack Erickson are to visit the Air Products Co. on Monroe street to determine if the company can take steps to reduce noise. "I've been getting complaints, and I know something was done about a year ago," Dallas said.

Four excavation permits were approved. Illinois power Co. is to relocate 500 feet of four-inch gas main along Henry street from Jorden to Propros avenue because of storm water sewer, and at Victory drive and the ditch for a gas regulator and at Sunset and Ramona drives. Another gas line is to be relocated in the city west of Bromley to revise service connections to 2104 and 2106 Edwards street.

Southwestern Bell was given permission for an underground cable across Pontoon road to service Maryland Manor.

Carl Randall Sr., 63, Dies; III Two Years

Carl B. Randall sr., 63, of 2721 Michigan avenue, died at 9 p.m. Monday at the Colonades Nursing Home where he had been a patient for one month. He had been ill two months and death was attributed to emphysema and an apparent heart ailment.

He was born in Roselle, Ill., having lived in the Quad-Cities for the past year.

He had retired two years ago as a truck driver for the Willett Transportation Co., Chicago, where he had been employed for 35 years.

His wife, Ann, died in 1953. Survivors include two sons, Carl Randall jr. of Roselle, Ill., and David Randall of Elgin, Ill.; four brothers, Jim Randall of St. Louis, Henry Randall of Collinsville, Ernest and Norman Randall both of Granite City; one sister, Mrs. Luella Propros of Granite City; five grandchildren and two great-grandchildren.

Funeral services were held today. Further details are given in today's obituary column.

Auto Stops, Struck. While halted at a stop sign, the rear of an auto driven by Alice C. Rogers, 5418 Maryville road, was struck by a car driven by James R. Yates, 67 Kaueberg lane, at 8:20 p.m. Monday at Johnson road and Edgewood drive.

GC Rotarians, Wives Hear Chorus of GCHS

The 90-voice chorus of Granite City high school, under the direction of Warren Simpkins, provided the program Tuesday for the Christmas luncheon for Granite City Rotary Club members and their wives, held at the YMCA.

The chorus sang old and new Christmas songs and carols for the members and 13 past presidents and two past district governors.

Warren Decatur, president, presided over the holiday gathering and introduced the past presidents, E. G. Schmitt, Elmer Baker, Raymond Ruffer, Edw. Meng, Richard Kerch, Homer Hubert, Dr. Elwood Ackerman, Dean Mayberry, James Louis, Glenn Abernethy, William Thoeke, Arthur Koerper and Sam Lindmeyer.

Past district governors attending were George Wilkins of Granite City and Ernie E. Tozovsky of Edwardsville.

Decatur reminded the members of their bell ringing duties for the Salvation Army on Friday evening in the downtown business district and Belleme and Nameoki Village shopping centers.

Girl, 5, Bitten on Face by Dog, Has Surgery

Sherry Wright, five-year-old daughter of Mr. and Mrs. Wright, 3329 Village lane, was bitten by a dog Monday afternoon and was taken to St. Elizabeth Hospital where she was admitted with a large laceration of the chin, large abrasion to upper lip and front of gum.

She underwent plastic surgery at the hospital on Wednesday to correct the injury to her mouth. Mrs. Wright said the dog belonged to a friend of the family, and the incident was an accident.

Holiday Traffic To Hit Peak; Urge Safe Driving

The annual year-end campaign to emphasize the necessity of safe driving over the Christmas and New Year's holidays got under way in the Quad City area this week as Illinois highway officials prepared for a record number of vehicles on roads and highways during the two holidays.

At district 11 State Police headquarters at Maryville, Capt. Emil J. Toffani announced Monday afternoon that his department will cooperate in the national coffee safety stop program as a means of reducing accidents through stops by motorists for free coffee breaks.

The coffee safety stop program is a nationwide effort of safety groups and thousands of restaurant operators who have volunteered to serve free coffee to travelers during peak traffic periods of the holiday season.

Marked by Signs. Beginning next Monday, participating restaurants will display free coffee break signs which are distributed by state police units throughout the nation. The program is sponsored by the International Association of Chiefs of Police, The American Association of Motor Vehicle Administrators, The Coffee Information Service, The International Bridge Tunnel and Turnpike Association, and the National Restaurant Association.

Ross V. Randolph, director of the Illinois Department of Public Safety, urged motorists to be particularly careful on the highways during December, which is one of the most dangerous travel months.

He said travel is expected to be excessive and new records for Christmas travel appear certain on the basis of travel over the recent Thanksgiving holiday. State police have been instructed to use every possible means to enforce highway rules and regulations, he said.

GC Town Board Meeting. Township disbursements totaling \$794 were approved Monday night by Granite City aldermen in their capacity as the town board. Included were \$2467 for town purposes and \$3127 for relief.

Dies at Highland

Funeral services were held at 1:30 p.m. Wednesday for Carl "Hap" Siegrist, 77, who died Monday in St. Joseph's Hospital, Highland. Rev. Victor Schen officiated at the services from a Highland Funeral Home with interment in Highland City Cemetery.

Mr. Siegrist was a Highland area resident his entire life. He had retired in 1960 from General Steel Industries where he had been employed as a tinsmith. His wife Malinda, preceded him in death in 1967. Survivors include a son and two brothers.

Virtually no opposition was offered Tuesday in a public hearing in Edwardsville on an Illinois Highway Department proposal to relocate Illinois Route 157 from Sunset Hill to Schwarzwald street in Edwardsville. The hearing was conducted by officials of Highway District 8 with headquarters at French Village.

Only a few questions were put to highway engineers, involving primarily specific information concerning highway alignment and access and egress roads. Edwardsville School Supt. A. Gordon Dadds questioned the effect the new route would have on access to

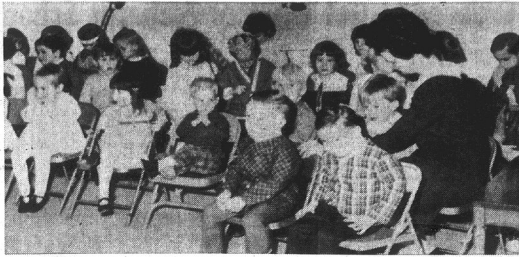

the high school. He said the school district would state its position in a letter to the highway department within ten days.

District Engineer Robert Kronst told those attending the hearing that the work will be done in two phases, the first of which will be construction of that section from the east entrance to Southern Illinois University-Southwestern campus to Schwarzwald street.

Purchase of right-of-way for this section will start the latter part of next year, Kronst said, with construction expected to start in early 1971.

The district engineer said he did not know when the other section from SIU to Sunset Hill would begin, but that "it may take many years."

The project will consist of four lanes of divided highway. Median widths will range from 18 feet to a maximum of 64 feet along the SIU entrance area.

CHRISTMAS PROGRAM presented by 30 children at the Cloverview Child Care Center Monday night at the First United Pentecostal Church. Eighty parents and friends attended. The teacher with the children is Mrs. Georgia Jackson.

Vandals Spray Church

Black paint was sprayed by vandals on the outside walls of St. Bartholomew's Church, 22nd street and Grand avenue, in the previous two weeks, it was reported at 3:10 p.m. Monday.

Hoelscher Named to Post With Traffic Conference

William F. Hoelscher, general manager-secretary of the Manufacturers' Association of the Tri-Cities, was elected as conference secretary-treasurer of the St. Louis-East Side Traffic Conference, during the annual meeting at the Missouri Athletic Club, St. Louis, it was announced Tuesday.

R. W. Woodcock, traffic manager of the Mississippi Line Co., was elected as chairman for 1969, and elected to the Conference board of directors was W. J. Edmonds of Granite City Steel Co. The St. Louis-East Side Traffic Conference represents all major shippers in the two-state commercial zone. Its membership includes 33 industrial manufacturing concerns and two trade associations.

Children at Day Care Center Give Program

Thirty children at the Cloverview Child Care Center presented their first Christmas program Monday night in the fellowship hall of the First United Pentecostal Church, 2450 Pontoon road. Eighty parents and friends attended.

The nursery class of two and three year olds sang two Christmas hymns and a welcome. The junior kindergarten group of four and five-year-olds children sang hymns and seasonal songs. They recited the entire 100 Psalms from memory. The teachers, Mrs. Doris Aphorpe, Mrs. Georgia Jackson and Mrs. Carol Wilson, offered a trio selection.

Decorations for the Christmas tree were made by the children, as well as cookies which were served with punch. Margie Wallace, new director of the center, was in charge of the program.

Hearing to be Planned on New City Zone Code

A request from Southwestern Illinois Metropolitan Area Planning Commission for a hearing to be conducted before Jan. 31 on the proposed new zoning and subdivision control proposals was received by Granite City council members Monday night.

The agency is anxious to complete its work on the master growth plan for the city, it was noted in the request, and the request for a hearing was referred to the City Plan Commission.

Alderman Green called for complete cooperation of the city administration for riding the Fourth Ward of unsightly and hazardous conditions, which he said have existed for nearly two years.

Green said his complaints have not been properly handled by the city inspector. "He's your appointee," Mr. Mayor," Green remarked to Mayor Partney, adding that the problem to get the zone in the Fourth Ward, with the city administration and is casting a reflection on his work as an alderman.

Partney remarked that Green could relay his complaints to the mayor's office.

Green particularly called for action on property at 229 Illinois avenue. "There's an ice box there that has doors, and this is in violation of the state law," He also called for a clean up and weed cutting on vacant property along Briarmore in Briarmore subdivision and condemnation of property at 2114 Bryan avenue. It was brought out the city has budgeted funds for condemnation proceedings. His motion was approved.

Continuing, Green said a dangerous condition exists at Reeves Concrete Co. "Concrete blocks are stacked too high and some are even leaning. Children play there, and it's extremely hazardous," He asked City Inspector Jack Fricker to issue a warning for City Atty. Allen to prepare a complaint against the company.

Green pointed out he had requested preparation of warrants sometime ago and nothing was done. Fricker answered that Green had requested a delay. Green called for another warrant to be prepared.

Hospital Alarm Goes Off, Nothing Amiss

A notifier alarm went off at 12:05 a.m. Tuesday at St. Elizabeth Hospital, but firemen could find no sign of trouble.

The alarm is designed to go off when there is excessive smoke, gas or heat at the hospital, but none of these conditions had occurred. The equipment was checked out on Tuesday.

Firemen answered three other alarms Monday night.

A television transformer burned out at the home of Ernest Burnett, 1535 Clark avenue, at 8:15 p.m. A boy looking for a toy with a match set a couch on fire at the home of Pauline Barnhill, 2108a Delmar avenue, at 8:35 p.m. Weeds and grass were burning beside the home of Paul Howard 2525 East 27th street, at 8:30 p.m. A boy was seen running from the house.

Federal Jobs Open for Engineers, Scientists

The Civil Service Commission has issued two new nationwide announcements for engineers and scientists, and for air traffic control specialists. Interested candidates may contact John T. Larkin, Main Post Office building, 750 Missouri avenue, East St. Louis, Ill. 62201.

Engineers and scientists with experience or graduate education will have starting salaries ranging from \$10,150 to \$19,750, depending on qualifications.

The air traffic control specialists are needed in airport traffic control towers, air route traffic control centers and flight service stations. A written test is required of applicants for the GS-5 and GS-7 (\$15,750 and \$20,000 a year) positions. Applicants for the GS-9 (\$24,650 a year) need not take a written test.

Accident in Reverse

With both vehicles moving in reverse, a taxicab driven by William E. Thompson, 415 Madison avenue, Madison, and an auto driven by Chester W. Groat, Springfield, collided in the alley at the rear of 2623 Edison avenue at 4:50 p.m. Monday.

Prather Junior HS Band Holiday Concert Tonight

An annual Christmas concert presented by the Prather junior high school, under the direction of Miss Elsie Mayhath, will be held tonight at 8 o'clock in the school gym. Admission is free and the public is invited.

Ninety students will participate in the concert which will include a variety of both standard and seasonal selections. Featured will be four smaller instrumental groups. A flute ensemble made up of Kathy Stajduhar, Debbie Jung, Lorna McElroy, Lorie Melichar, Teresa Lewi and Robin Smith will play "Doll Dance."

Members of the clarinet ensemble are Jeri Ennis, Paula Mathis, JoAnne Metz, Cindy Kopp, Pat Gould, Herman Jones, Wanda Frost, Barbara Stull, Teresa Alvarado, Lynn Pickrell, Kathy Parker and Tom Jones, who will present "Clarumbe."

In a saxophone and percussion group, James Staveley, Debbie Hadley, Dane Carney, Debbie Presley, Cordell Burnett, Harley Barton and Linda Peterson will perform "Relax" rumba.

The brass ensemble, composed of Gary Ellis, Marc Scheffel, Penny Gozla, Bill Parks, Mike Robertson, Roy Hunter, Ricky Justice, David Townsend, Pam Cooper, Ted Domitrovich, Russell Miller, Scott Harrison and Mike Bolling, will present "Christmas Serenade."

The band program will include "Space City, U.S.A." march; "Pacific Waves" overture; highlights from "The King and I," a paso doble "Alameda," "Fiesta Calypso" and "Land of Liberty" concert march.

Christmas numbers will consist of three medleys of familiar as well as unfamiliar carols entitled "An Old-Fashioned Christmas," "Noel Français," "Yuletide Festival" and finally, "We Wish You A Merry Christmas."

After the concert, refreshments will be served by the band parents with co-chairmen, Mrs. Rose Jones and Mrs. Lee Ennis, in charge.

Two Property Line Variances Approved

Two variances in side property lines approved by the city's zoning appeals board were agreed upon Monday night by Granite City council members.

Donald R. Knight, 2340 Delta avenue, was given approval for a double-car garage to be nine feet away from the side property line instead of 20 feet as required for corner property in an R-1 area; and Roy C. Hulise, 2904 Fortune drive, was given permission for an attached garage to be six feet from his side property line instead of seven feet as required in an R-2 area.

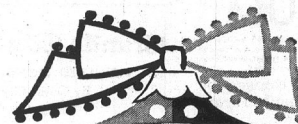

Held over until January by the appeals board were two other requests. Objections were filed on a request by William L. Fries for a 16-foot extension on a carport at 3023 Myrtle avenue, and the board also held over a request by Steve Benko, 2440 Iowa street, to extend a roof over a driveway to be two feet from a side property line instead of the required five feet in an R-3 area.

County Construction Lists \$937,700 Values
Fifty-nine building permits were issued for new construction in unincorporated areas of Madison county during November by Jack R. Clifford, county building official. Values totaled \$937,700.

Included were 37 residences, \$738,400; 17 additions and garages, \$41,000; one business, \$28,000; one church, \$107,000; two advertising signs, \$2200; and one miscellaneous, \$1100.

EMPLOYEES' VIEW OF ISSUES IN DOW STRIKE

To the Editor:

The striking Dow Metal Co. workers continue to carry the burning torch of self-respect and pride after three months of hell grinding by the company and its officers.

The company has once again brought non-union help and others from out-of-state to work on government contracts on government rented equipment paid for and being paid for by the taxpayers.

We of Local 4804 asked for only a few changes in the contract held for the past three years.

One was for an increase in hospital coverage that is only \$18 per day payment now. Wage increase was left open.

The company's answer to such a request is that they want to cut and wreck our seniority and job security. They insist on rewriting more than three-fourths of our old contract.

We are determined to prove that pride in one's work and self respect are still worth fighting for at all costs.

CUSTODIANS' VIEWS ON PUBLIC USE OF SCHOOLS

To the Editor:

This is in answer to the West Granite Youth Organization and other interested groups or organizations concerning custodial fees for use of all school buildings in Granite City School District No. Nine.

Local 98 of Service Employees International Union has negotiated with the board of education concerning the use of school buildings by groups or organizations that are not connected directly with the school system.

It is a part of our working agreement that when more than 50 people use the building, or if admission is charged, there will be extra custodial help used to take care of any extra work.

Local 98 members feel that in allowing any one group to use the school buildings without abiding by our agreement, we leave ourselves open to any and all groups, regardless of their nature.

Local 98 does allow adult civic groups to use the school buildings, with approval of the school board, for meetings with extra custodial help. But when admission is charged and refreshments are sold, the work is there for extra custodial help.

The officers of Local 98 would be glad to meet with any group to discuss their particular problem in regard to custodial help.

Many Changes in State Driver's License Law Beginning Jan. 1

(Tri-City and Illinois Bar Association)

Everyone who drives an automobile will be affected by Illinois' new Driver's License Act, which becomes law as of Jan. 1, 1969.

Perhaps the most sweeping provision of the Act is the one that requires all drivers to submit to a re-examination once every nine years.

For first-time applicants for a license, the law has raised the minimum age from 16 to 18, although there are many exceptions.

And for drivers 60 years of age or older, the new law—the old one—requires examination every three years.

The old distinction between a motor vehicle "operator's license" and a chauffeur's license was eliminated. Instead, every license will be known simply as a "driver's license," and each license will be classified according to the type of vehicle and type of operation.

All licenses will come up for renewal every three years. Previously, the chauffeur's license was issued for only one year.

A driver's license issued after Jan. 1 will not be good for the operation of a motorcycle unless the holder has successfully completed a special examination required for motorcycle operators and unless this fact is indicated on the license.

A driver's license can be issued for the operation of a motorcycle only if the driver is at least 18 years of age and is restricted to the operation of cycles with engines under 150 cc. and no center-point displacement.

FIREMEN COMMEMORATE SAVING BUILDING

To the Editor:

I feel we should commend the successful efforts of all the firemen who worked so diligently to put out the fire on Delmar during the night of Dec. 12.

Although our building is only six inches away from the building that burned, it was undamaged by the fire.

To the firemen who worked so hard on this cold and blustery night, I want to say thanks a million.

State Action Needed to Eliminate Or Streamline County School Positions

Illinois county superintendents are on the right track in deciding to submit proposed legislation to consolidate smaller county positions into regional education posts. There seems little doubt that some such move will be made by the next General Assembly or through the draft of a new state constitution.

In anticipating the action, the county schoolmen's association may merely be trying to make the best of a bad situation, from their viewpoint. They failed to go far enough, and legislators would be correct in ordering faster and more sweeping changes than recommended.

With changing times and the expansion of local-level school district staffs to keep pace with tax aid law revisions and educational trends, county superintendents in sparsely settled sections of Illinois have been left with too little to do. They suggest mergers beginning in 1971, with the present 102 positions eventually trimmed to 40 by 1981.

Because the extra governing layer is costly and complicates state-local and federal-local coordination, there is widespread hope that consolidations or, better still, outright elimination of the office can be made fully effective in the early 1970s. This goal deserves a prominent place on the 1969 legislative agenda.

Washington Scheme to Prevent State Checking Of Public Aid Applicants Should Be Fought

Mandatory elimination of the investigation of state welfare applicants, proposed by the U. S. Department of Health, Education and Welfare to go into effect after Jan. 20 without Congressional approval, should not be permitted.

A 1962 study of assistance cases in Washington, D. C., indicated 59% illegitimacy. A 1968 survey there of aid to families with dependent children disclosed 47% of current recipients are illegitimate. Such reports, along with observations of human nature, make it unacceptable aid requests at face value could not be justified—or afforded.

It is true that elimination of investigations, freeing welfare workers to provide increased social services, does save money. But this undoubtedly would be far offset by increases in the public aid rolls.

Teaching Downgraded, Students Neglected By Many Universities

"And Merely Teach" by Arthur E. Lean, Carbondale, Southern Illinois University, is a review of the faculty of the SIU Department of Economics. (Review published in the Daily Egyptian, SIU Department of Journalism, Carbondale.)

First, the essays with which the reviewer agrees. It is agreed that: Students can teach the professors as well as the reverse; that this cannot be done in large lectures. Also, some professors could profit from "how to teach" courses. (Education as Cognition.)

Teaching is downgraded by the colleges and universities. (The More Task of Teaching) Students are neglected and haughtily treated, due to overemphasis of research. (Professor vs. Student)

National assessment of education will concentrate on "what one is and wants to be," and that this is dangerous, but the latter is much more difficult to obtain accurately. (National Assessment of Education)

Academics (liberal arts) and educationists (education) have scholars and incompetents so the dichotomy should be forgotten. (The Academics and the Educationists)

Liberal arts colleges train teachers and teachers' colleges have liberal arts and education. All are teacher training institutions. (The Vanishing "Teachers' College")

Teachers need professional status and dignity, good salaries and working conditions, and the respect of both children and adults. (The Increasing Shortage of Teachers)

Don't mistake tough grading with good teaching and high standards. (Lean's Law of Pedagogy)

Mr. Lean complains that people consider education as a commodity with can be bought at the school like a loaf of bread in a store. Although we might wish the commodity were different, the reviewer agrees. It is something wrong with considering it a commodity to be bought, because most American homes are not equipped to supply it.

under the HEW plan, which would automatically add all applicants who say they are eligible.

We would like to believe that no abuse would result, but the practice of checking new cases and periodically auditing those already on the rolls is well established. Such work also has had some success in helping recipients become self-sustaining as soon as possible.

It is incredible that somebody in Washington has devised such a scheme to shackle the states in their efforts to intelligently administer the six aid programs financed in part by the federal government. Illinois, which has made an outstanding public aid record, and other states must not be subjected to such a heavy-handed and irrational directive.

Questionable Plan to Fill New Four-Year Council Terms in Four Granite City Wards

If the Granite City council size issue was separated from the identities of specific aldermen and candidates, we think it would become obvious that the city is embarking on perilous waters in electing extra council members April 1.

In eliminating two council positions to reduce from eight to seven wards, Granite City would appear to be on sounder ground if it allowed holdover officials to continue the last two years of their 1967-71 terms, but created no new positions contrary to the 1968 redistricting law.

Instead, it is proposed to elect four-year aldermen in 1969 from the new Second and Fifth Wards even though there are already two council members residing in those areas. The result would be over-representation for those neighborhoods and under-representation for other sections.

As noted, the question becomes more difficult to answer when applied to the potential enforced retirement of Aldermen Rutledge, Bartosiak and Basarich. However, they are "serving out their complete terms before their offices are phased out," since their present four-year terms will continue until the spring of 1969 without challenge.

With two aldermen left in each of the affected wards, Two and Five, Aldermen Whitmer, Jarrett, Nunn and Moellen would have to decide whether to seek four-year or two-year terms in 1971. Those forced out of the council in 1969 could then oppose either of their successors two years later. Rutledge and Bartosiak opposing Whitmer or Jarrett, and Basarich opposing Moellen or Nunn.

While this would have elements of unfairness to men who have devoted years of service to the city government, alternative plans presently being followed also pairs incumbent aldermen against each other in 1971. There simply is no way to reduce the size of the council without reducing it.

A parrot is different from a human because he is content to repeat what he hears without trying to make a better story out of it.

An Added Item for Christmas Lists

Our suggestion for inclusion on each local Christmas shopping list this year is a "UFO."

No, not an unidentified flying object, but a gift or pledge to assure a 1969 "United Fund opportunity" to adequately finance the operations of all 19 mental health and service agencies. Success in the current united giving campaign would go a long way toward making it a happy Christmas for the entire community.

Of course, people are wrong in assuming that this is the only source of education. (Education as a Commodity)

Grading the efforts of human beings cannot be as precise as tests, gallons and tons. It matters not whether we use "gallons" or "tons," or whether we use his preference of rating "dependability," resourcefulness, intelligence," etc., the ratings of the teachers would vary.

Mr. Lean's suggested system would be more meaningful but not more accurate—and much more difficult in large classes. ("Fairness" Called Grading)

Faculty rank is one way to motivate good teaching, and sometimes it does enable a less well known college or university to attract more competent teachers by offering higher ranks. (The Faculty as Faculty Rank)

Mr. Lean laments that there is no legal guarantee that colleges and university teachers will be competent. There is no guarantee, legal or otherwise, that public school teachers will be competent.

His criticism of having specialized scholars from higher education study the public schools is well justified. (Higher Education Discovers "Lower" Schools)

I have no quarrel with Mr. Lean's criticism of the liberal "liberal arts," but why did he not mention the "liberal arts" arrows at the non-education "education?"

We emphasize specialization because it gives us our high standard of living. So it is natural to expect specialization in educational institutions which feel obliged to educate on how to earn a living as well as learn how to live.

And if we don't educate to earn a living we would not have the standard of living to support learning to live. (The Liberal Arts)

The last essay, Prescription for American Education, is, in effect, a summary of previous essays.

Mr. Lean has made his book sufficiently general to stir up discussion, yet specific enough to support his beliefs.

He has written clearly and to the point on important educational issues. This little book should be read by all people interested in education.

Burned Out Club Delmar Looted of Liquor, Beer

Alcoholic beverages valued at \$180 which were left in the Club Delmar tavern, 1832 Delmar avenue, since it was damaged by fire early last Friday, were stolen in a break-in Sunday night, it was discovered on Monday.

Taken were 20 cases of beer valued at \$80 and 1 1/2 cases of whiskey valued at \$100. It was believed that the burglars climbed onto an outside air-conditioner unit to reach the leveled second floor, walked down the stairs and forced two doors of the tavern.

Police also reported that an unsuccessful attempt was made to break into Vaughn's pharmacy, located next door, which also was damaged by fire.

City Has Healthy Balance in Reserve Funds

Granite City expenditures of \$116,770 out of the general levy fund and \$35,536 out of all other special funds during November, were reported to the city council Monday night by Treasurer E. R. Rich.

The report shows the city ended November with total balances of \$321,310 in the general levy fund and \$793,094 in all other funds.

While the general levy fund balance of \$321,310 is far insufficient to finance general fund operations for the remaining five months of the current fiscal year through April 30, balances in the general reserve fund total \$667,993.

Funds customarily are transferred from the general reserve fund to meet deficiencies in general levy fund accounts. The reserve funds included, as of Dec. 1, tax commission funds totaling \$139,689; working fund, \$223,359; parking meter fund, \$87,870; sales tax fund, \$216,103; and temporary fund, \$1000.

City Atty. Allen Resigns Post

The city of Granite City may be without a legal staff in a short time. City Atty. Allen submitted his resignation Monday night effective Jan. 1, and Assistant City Atty. Harry Harman advised council members the same evening that he may quit in two or three months.

Allen said he was resigning to devote more time to his private law business. He pointed out that in the few years he has been city attorney, there has been a tremendous increase in the city work load.

In his letter of resignation, the lawyer pointed out the city should consider codification of ordinances at a cost of \$6000, and should "apply a stringent rule that all ordinances must be drawn by the city attorney so that the council and attorney are fully protected."

He added that the city should have available in its council room an up-to-date zoning map to keep up with changes requested and should develop a program and policy for annexations.

He added that since the city council has not approved his earlier suggestion for a full-time attorney, that perhaps an attorney could be hired on a per diem basis at the minimum schedule of the Bar Association. He noted the council had cut the appropriation for legal services from \$14,650 to \$14,650.

While no steps were taken Monday night on selection of a successor, several months ago, when an assistant city attorney was needed, Mayor Partney noted that other cities have hired out-of-town lawyers with municipal law experience.

Robert Voss, a Granite City Steel Co. employee, was appointed to the city's Board of Engineers to succeed the late Eugene Lawless, who was city boiler inspector.

Council members approved the city payroll for the last half of December with pay checks to be distributed before Christmas in accordance with a long-standing tradition. The move by Alderman Moerlein to block payment of sewage treatment plant workers again was overridden by the council.

Total expenditures out of the general levy account since the beginning of the current fiscal year last May 1 amount to \$1,128,894, with total income so far this year of \$1,455,915. The revenue figure includes \$106,020 in balances of general fund accounts at the beginning of the year.

Disbursements out of the reserve funds include \$47,132 in regular expenditures plus \$205,960 in transfers to general fund accounts. Motor fuel tax fund expenditures so far this year amount to \$282,204, for aggregate expenses of \$362,531 out of the special funds accounts during the seven months of the current fiscal.

Largest expenditures for departmental operations paid out of the general levy fund were made in the police, fire, street and sanitation departments, Stevens' report showed. Total fiscal expenses thus far in the police department amounted to \$217,481 as of Dec. 1. November expenses in the police department amounted to \$31,385.

General Fund Costs Street department expenses so far this year total \$129,672, with November disbursements amounting to \$5,000. For the fire department, disbursements this year total \$196,311. November expenses amounted to \$29,878.

Expenses in the sanitation department for this year thus far total \$112,259 with November expenses amounting to \$16,564.

General government costs during the year thus far amount to \$90,259 and city hall operation has cost \$7,323. School crossing guards have been paid a total of \$10,795 and \$4600 has been paid for civil defense activities. Sewer main-

Festival of Giving Report

Girl Scouts Donate 86 Food Baskets for Needy

Nearly 1700 girls who make up 100 Brownie and Girl Scout Troops in the Quad-City area participated in the recent Festival of Giving, and provided 86 food baskets, Christmas tree ornaments and several trees to needy families in the area. It was announced this week.

Each of the five Neighborhoods held gatherings at separate meeting places as the growth of the Girl Scout movement, locally is so large the scouts can no longer meet together.

During the weekly troop meetings, the scouts decorated their boxes in a holiday motif, made their ornaments in various sizes and colors.

Neighborhood Five met at Mitchell school with 400 scouts and parents attending. Twenty food baskets were presented to the Red Cross from troops representing Nameoki, Mitchell, and Maryville schools. The Neighborhood also has a Cadette and Senior Troop with members who attend Coolidge and Prather junior high schools.

Mrs. Jo Ann Cotter was chairman for the Festival while Mrs. Wilma McQuinnery serves as chairman for the Neighborhood. Mrs. Betty Kating was the chairman for the Festival of the Neighborhood Four, which met at Nameoki school and had an attendance of 400 parents and scouts.

Mrs. Wanda Mac Donough, chairman for Neighborhood Four accepted the 27 baskets and trees and in turn presented them to Capt. and Mrs. Harold Thomas of the Salvation Army. The 27 troops are from Parkview, Wilson, Frohardt, Lake and Stallings schools.

Neighborhood Three under the leadership of Mrs. Mary Lockhart donated 15 boxes to the Protestant Welfare as well as two trees. Mrs. Vivian Davis was the chairman for the Festival of Giving which met at St. John's United Church of Christ and had an attendance of 450.

Schools participating in this Neighborhood were: Medinghaus, Marshall, Webster and Sacred Heart. Neighborhood Two held a Christmas party for the scouts only in conjunction with the Festival of Giving at St. Joseph Church and had 180 girls present.

WOMEN'S DIVISION OF Chambers Commerce was the topic of this luncheon group Tuesday in Belleville. Seated (left to right) are Miss Dorothy Davis, Dr. Felicia D. Koch and Mrs. Jo Meyer. Standing (from left) are Mrs. Helen Wasem, Mrs. Dorothy Iselhardt, Mrs. Nell Lenhoff and Mrs. Scotty Whittingham.

Study of Chamber Women's Division Here Continues

The girls provided 14 boxes of food for Catholic Charities. The troops were from McKinley, St. Joseph, Emerson, Logan, Prather and Washington schools. Mrs. Doris Wood is serving as the Neighborhood chairman. Neighborhood One met at the Madison Memorial Center with Mrs. Mabel Dandridge as chairman. Mrs. Jackie Fritz is the Neighborhood chairman. The schools represented included Harris, Louis Barr, St. Mary's, Dunbar, Blair and St. Mark's, and the troops provided 10 baskets for Catholic Charities. About 200 scouts with their parents attended.

Participants in the luncheon at Fischer's restaurant included Dr. Felicia D. Koch, a member of the board of directors of the local Chamber, and Mrs. Jo Meyer and Miss Dorothy Davis of the Belleville Women's Division service area.

Dr. Koch has been commissioned by the Chamber board to study the proposal. Tuesday's session dealt with procedures followed by a similar group in Belleville.

Attending were Mrs. Helen Wasem, current president of the Belleville Women's Division and associated with the Century Brass Co.; Mrs. Dorothy Iselhardt, Hoeffken Construction Co., division past president; Mrs. Nell Lenhoff, Hunter Trucking Co.; and Mrs. Scotty Whittingham, Whittingham Chiropractic Office.

Also present were Clifton E. Blankenship, president of the Tri-Cities Chamber; Howard Colquitt, local Chamber manager; and Ferd Gower, Belleville Chamber manager who was formerly with the local Chamber.

It was noted that such divisions include both wives of Chamber members and women who serve in various professions. Among the activities which might be assigned to a women's division here are membership and community beautification.

Council Studying Request To Help Train Adults on ADC

Members of the Granite City council are studying the possibility of entering in agreement with state and federal agencies for hiring employable people now on relief or receiving ADC.

Mayor Donald Partney asked the aldermen Monday night to consider this project which would take some adults off public aid and return them to the labor market.

All persons now on ADC have their background experience and education on file at the WIN (Work Incentive) office at 1920 Edison avenue. There they are evaluated and interviewed for further education or training, to prepare them for job opportunities now on ADC.

Mayor Partney said the program is similar to the federal Neighborhood Youth Corps program carried out the past two summers by the city for unemployed youngsters. He said the older persons could be given jobs at the city hall to assist regular employees, such as the switchboard operator, and that the individuals would earn an additional \$30 a month, paid by the state and federal governments.

He added that there would be no expenditure by the city, but that city department heads and employees would aid in the training of the individuals. "We would have to keep records and sign an agreement with the Illinois Department of Labor," the mayor explained.

Pilot Program
WIN is managed by Charles Dunn, who states there are now only four counties in Illinois taking part in this pilot program. St. Clair and Madison counties are a joint venture with offices in East St. Louis and Granite City. Other counties are Cook and Peoria counties. If the project proves to be successful, the details will be sent to other counties as the venture enlarges.

The program now stands with an orientation program at the WIN office where each individual is evaluated and his desires are discussed as to the type of employment he would prefer, and is best suited. After his background is thoroughly investigated and his physical condition ascertained, he is placed in the proper educational training.

A basic education course is offered as is a course for GED diploma and a two-week employability orientation course in East St. Louis under the direction of SUI-SW. The latter is given to teach proper work habits in theory and a trainee may be later placed for work experience, if the employer is a non-profit organization.

The persons will draw their regular assistance from ADC plus \$30 work incentive each month until they have completed their courses and secured regular employment.

If the venture proves successful, the WIN office plans to establish an "on the job training" program, where the trainee will receive a salary as they learn their work and possibly secure some positions with the government.

Unemployed fathers will be given first priority, children 16 years or older in the home are considered second, if there is absolutely no chance of their returning to school and finally mothers are in the third position. Since babysitting generally poses a problem for mothers, child care center services will be supplied while mothers are in a training program.

Chas. Hutti, 69, Dies In St. Louis Monday

Charles Michael Hutti, 69, of the local YMCA, died Monday while delivering merchandise for the W. L. Waggoner Trucking Co. of Madison, to a St. Louis firm.

He was stricken with an apparent heart attack and was pronounced dead upon arrival at St. Louis County Hospital. An inquiry will be held.

He was a member of the Teamster and Chauffeurs Local 525.

Survivors include a daughter, Mrs. Mary Jane Cooper of California; four sisters, Mrs. James C. Farris, Miss Florence M. Hutti, Sister Florence Marie, CSJ, and Sister Mary Fehlan, CSJ, all of St. Louis.

Funeral services were held at a 9 a.m. Mass today at the Immaculate Conception Church, St. Louis. Interment was at Calvary Cemetery, St. Louis.

Two Autos Collide

Autos driven by Edgar C. Wells, Collinsville, and Millard A. DeCear, 212 Nevada avenue, collided at 6 a.m. Tuesday at East 21st street and Edwardsville road.

Sp/5 Nix Top Grad, Assigned to Germany

Specialist Five Maurice E. Nix, 24, son of Mrs. Ola V. Nix, 507 Kirkpatrick Home, and husband of Mrs. Mary Nix of Benton, Ill., recently was graduated first in his class after seven weeks of instruction in the Tracked Vehicle Mechanic Course at Fort Sill, Okla.

The serviceman, who has since been assigned to the 71st Maint. Battalion at Bamberg, Germany, was awarded a "Distinguished Honor Student" certificate during ceremonies that marked completion of the course by 32 members.

The course is conducted by the U. S. Army Artillery and Missile School at Fort Sill, and most of the instruction is centered in the school's Artillery Transport Department.

While at Ft. Sill, Nix was assigned to the Enlisted Student Battalion, School Brigade, with about 2000 other students enrolled in various artillery and artillery-related courses. In addition, about 2000 military officers are in resident study at the school.

The soldier's sister, Miss Melinda L. Nix, also resides at the Kirkpatrick Home address. Sp/5 Nix's address appears in today's Yule Mail Call list.

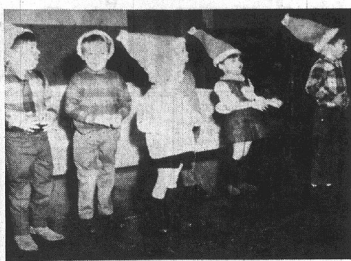

Refer Zoning Pleas To Plan Commission

Request for a zoning change from C-1 to C-2 for five lots at Nameoki road and East 23rd street was received by the city council Monday night from Andrew Rapoff and Walter Rozycki of Rozycki Realty Co.

Rezoning is sought at 2803 East 23rd street, and 2320-24-26 Nameoki road. Rapoff said the zoning change is being sought in anticipation of plans for eventual commercial installations at the site, but that no definite building is immediately contemplated. C-2 zoning permits operation of a wider range of businesses than does C-1.

The council also received a petition for rezoning of a lot at 2137 Pontoon road from Dr. Hector Zevallos, owner, from residential to C-1. Dr. Zevallos said the property still is to be used as a residence but the rezoning would permit installation of a beauty shop.

The rezoning requests were referred by the council, to the City Plan Commission.

TINY, RED-CAPED ELVES sing "Here Comes Santa Claus" for their mothers who were guests last week at the YMCA Pre-Kindergarten Class' final session of the fall quarter. From left to right are: Eric Schrader, Jay Parker, Marcus Rawden, Gene Pohlman, Laura Takmajian and Stephen Lauchlin.

Registration Begins at 'Y' For Pre-Kindergarten Center

Fall quarter classes of the YMCA pre-kindergarten center concluded last week and registration already underway to enroll a maximum of six new students. Charles H. Hasse, YMCA youth director said this week.

Parents of the young pupils attended a Christmas program in the YMCA, during which the youngsters performed Yuletide songs, stories and brief skits using hand puppets. Refreshments were served by the class.

Hasse said that all pupils have re-registered for the winter quarter classes which start Monday, Jan. 6, and continue through March 6, leaving openings for only six new students. Pre-kindergarten enrollment is limited to 15 pupils.

Classes are conducted from 9:30 to 11:30 a.m. each Monday and Thursday for a total of 18 sessions in the quarter. Fee for each quarter is \$45 cash, or \$51 on a three-payment plan. All supplies are provided by the "Y," although children are permitted to bring with them a book, record, toy or other item to share with the group.

To be eligible, a child must reach his fourth birthday during the quarter he is enrolled. Birth certificates are required at time of registration, together with a health certificate in line with standards of the Illinois Department of Children and Family Services, Hasse explained.

Mrs. Takmajian said that a typical day's activity includes roll call, a "show and tell" period with youngsters sharing experiences or objects brought to class; a playtime segment with pupils playing in small groups at self-selected activity.

Group work period, including singing, rhythms, special projects, arts and crafts, painting, manipulative projects, use of "A Book About Me," a preschool workbook from Science Research Associates, and story-time with stories selected to

Elite Hairdressers Select Annual Queen

Mrs. Janet Krieger of Edgewoodville was named Queen at the annual National Beauty Salon Queen contest and Christmas party, hosted by the Elite Hairdressers Affiliate 33, this week at the Rose Bowl. Artist for Mrs. Krieger was Mrs. Jo Ann Rojas.

Local cosmetologists gathered to select a woman who has beauty, talent and community interest.

Mrs. Shirley Sanders, Caseyville, placed second and her artist was Mrs. Mauri Dickey. Other contestants and artists include Miss Sandy Walton, Mrs. Erma Hinton; Mrs. Jane Ireland, artist Mrs. Rue Ann Long; Mrs. Alice Worthen, artist Mrs. Diana Meador; Mrs. Nita Dale, artist Stanley Coleman.

Mrs. Julia Freedman served as commentator and Earl Tucker as master of ceremonies, and the ticket sales were led by Mrs. Marcella Tucker and Mrs. Judy Brosnaw. Mrs. Dorothy Line, president of the Elite Hairdressers, crowned the new queen and presented Mrs. Krieger and her attendant with a dozen red roses.

Five judges included Mrs. Georgia Unank, Godfrey, Benton; Mrs. Mandy, Jerseyville; Mrs. Mildred Brazzel, Alton; Jim Barlow, Granite City Tax Assessor and Dr. Claude Hiles, local Chiropractor.

New Mail Rate Fails To Deter Yule Cards

The postage increase to six cents for greeting cards apparently has not dampened the Christmas spirit in the Quad-Cities for sending holiday greetings to friends and relatives.

Theodore Overbeck of the Granite City Post office said there has been only a slight decrease, with 61,900 cancellations here from Dec. 1 to this week. The Madison post office has registered 57,897 cancellations since Dec. 5, but Postmaster William Clinton reported the peak is expected this week. He added that stamp sales are just the same as last year at this time.

Charles Simmons, Venice postmaster, said 11,300 cancellations from Dec. 1 until this week is close to the same amount for 1967.

Aviation Machinists Mate First Class Wendell D. Parker, USN, son of Mrs. Ethel Parker of 2108 Delmar avenue, participated in operation "Beef Trust" maneuvers with Fleet Composite Squadron 3 of the coast of Southern California.

M/Sgt. Leo Rozycky Assigned in Thailand

M/Sgt. Leo Rozycky, son of Mr. and Mrs. Henry Rozycky, 1913 Rhodes street, Madison, is on duty at Korat Royal Thai AFB, Thailand.

A jet aircraft maintenance technician, he is a member of the Pacific Air Force. Before his arrival in Thailand, he was assigned at Eglin AFB, Fla. The sergeant, a graduate of Madison high school, also attended Millikin University. His wife, Thelma, is the daughter of H. A. Parker, Plains, Ga.

Annexation of 5 Homes Approved

Granite City grew by five lots Monday night with the annexation of five homes that were in Nameoki township.

The ordinance was unanimously adopted for annexation of the following properties: The homes of Clyde Norris, 3288 Edgewood drive; Tony Burich, 2314 Emert avenue; Donald Hillmer, 3287 Willow avenue; Arthur Menendez, 3261 Willow; and Joseph Owens Jr., 3255 Willow.

GC To Seek Bids for 4 New Police Cars

Authorization for bids to be sought for four new police patrol cars was given Monday night by Granite City council members on a request by Chief Ronald Vetter. The city is to trade in either four present patrol cars or two patrol cars and two vehicles of the city inspection department.

Alderman Whitmer pointed out the city has budgeted \$12,000 for new cars and will have to stay in that figure. The city inspection department cars are older models.

\$70,750 Sales Tax, MFT Income for GC

Accepted readily by Granite City council members Monday night were notices from two state agencies of \$70,750 added income for the city.

The state revenue department advised the city that its sale tax for September amounted to \$45,320 and the highway department reported the city's allocation of motor fuel tax funds for November totaled \$25,430.

Both reports were referred to the treasurer and comptroller.

Yule Display Thieves
Hit 4 in Neighborhood

Christmas display thieves
took six neighborhood
snatching bulbs and entire
strands of outdoor display
lights.

The thieves hit four homes,
taking a 12-foot extension cord
and 50 twinkling lights from
shrubbery at the home of Jack
Maxville, 3240 Rodgers avenue,
and a set of lights off the gar-
age at the home of Leonard
Walker, 2327 Rodgers.

Youngsters were seen running
from the yard of Wilbert Arbo-
gast, 3121 A St. on Tuesday,
where five bulbs were missing
from a display; and the thieves
were heard but not caught re-
moving 19 bulbs from a display
on the garage at the home of
John Gloski, 3152 Davis
avenue.

30% Refund from U.S. on Some GC School Equipment

Purchase of certain instructional materials, tentatively delayed until the 1969-70 year, will be carried out by the Granite City school district this year (1968-69) to obtain a 30% reimbursement from the federal government.

The school district has just been notified that restoration of a National Defense Education Act Title III allotment previously cut by Congress will permit resumption of acquisitions in the areas of mathematics, science, foreign languages, social studies, English, reading and industrial arts.

A Dec. 15-Jan. 31 period has been set for filing of purchase proposals. Assembling of requests, normally carried out in conjunction with budget preparations, will take place early to meet the deadline, Dale C. Rea, assistant to the superintendent, reports.

For the current school year, \$29,225 worth of materials and equipment was bought, with \$8897 of that reimbursed by the U.S. Costs for 1968-79 encountered early will be met through contingency fund transfers.

The school system also is preparing an Elementary & Secondary Education Act Title III project application calling for expenditures on which \$14,299 is to be reimbursed. The allocation is about half of the previous year's allotment due to Congressional spending cuts.

Bond Retirement Schedule
tentative amortization of the \$4,750,000 bond issue approved by voters Dec. 7 indicates a 21.966666 additional tax rate per \$100 assessment for the levy in the summer of 1969 and collection in the spring of 1970.

The computation is based on \$215 million assessed valuation and 5% interest; the rate may be less than 5% and will be known after competitive bond bids are obtained.

Comptroller Victor G. Anderson reports that the "proposed schedule provides an estimated increase from the current tax rate varying from 13.34 cents in the final year to 21.41 cents in the fourth year. While the initial projected increase is shown as 21.06 cents, the actual final increase should not exceed 21

Fifth and sixth grade pupils sang "God Bless All."

Play director was Miss Mary Tenekot, music director Kenneth Jones and stage director, Eugene Monahan. Miss Eugenie Whitsett was instrumental accompanist, and Miss Carole Jones directed an instrumental music program.

Taking part were a brass ensemble, Charles Bennington, Ben Perrod, Mary Juhaz, David Rapoff, Jimmy Beran, Ricky Birdsong and Ruthann Fisher; woodwind ensemble, Lisa Grothuis, Shannon Hametiaux, Mary

cents, since assessed values should be increasing."

Projections indicate retirement of \$4,750,000 in bonds and payment of \$1,523,000 interest by 1979-80. A breakdown of bonds and interest by years follows:

1970-71, \$95,000 and \$356,250; 1971-72, \$218,000 and \$322,750; 1972-73, \$229,000 and \$221,850; 1973-74, \$240,000 and \$210,400; 1974-75, \$252,000 and \$198,400; 1975-76, \$265,000 and \$185,800; 1976-77, \$278,000 and \$172,500; 1977-78, \$290,000 and \$158,000; 1978-79, \$1,011,000 and \$45,250; and 1979-80, \$894,000 and \$44,700.

Adjusted to Present Debt
The plan is based on fitting the new bond schedule around existing bonds to keep the estimated total bond and interest tax rate between 51 and 52 cents, or about 21 cents above the present level.

Estimated bond and interest rates as previously scheduled FRIDAY, \$1.09 at GRANT'S

and taking the new bond issue into account follow:

1968-69 levy year (tax collection in the spring of 1969), 30.213 cents and 30.213; 1969-70, 30.403 and 31.387; 1970-71, 30.843 and 31.843; 1971-72, 30.647 and 31.646; 1972-73, 30.729 and 31.731; 1973-74, 30.745 and 31.723; 1974-75, 30.508 and 31.478; 1975-76, 8.42 cents and 31.253; 1976-77, 8.14 and 31.446; 1977-78, none and 31.4534 cents; 1978-79, none and 43.6666; and 1979-80, none and none.

Protestant Welfare Holds Installation of Officers

Officers for 1969 were installed Tuesday evening at a meeting of the Protestant Welfare Association held at First United Presbyterian Church.

The staff includes Orville Ganz, president; H. A. Amelung, first vice-president; Neil Kelso, second vice-president; Mrs. Minnie Dillard, treasurer; Mrs. Marie Whittle, office secretary; and Mrs. Irma Taylor, executive secretary.

The meeting opened with a devotional service led by the host pastor, Dr. David B. Man-

ton, closing with the carol "Silent Night" by the group.

Mrs. Whittle gave her monthly report which listed a total of 151 aid cases involving 191 persons. Twenty-eight orders with relief distributed as follows: food, \$250; rent, \$70; utilities, \$22; medical, \$8; and new shoes and clothing, \$66, making a total of \$417. In addition, 18 orders of clothing from the store room were issued, estimated to value \$194.

The next meeting will be held at Niedringhaus United Methodist Church.

Exact Fare Plan Begins on Some Buses Feb. 1

Plans for a partial start Feb. 1 of the "Exact Fare Plan" were reported this week by the Bi-State Transit System.

As announced previously, the transit system is in the process of adopting the plan for its entire operations.

This will mean that the bus operator will have no money in his possession, or available to him, and all fares collected will go into a locked-vault farebox for which the operator will have no key.

This will be the final step in the system's program to eliminate the exposure of bus operators to robberies. It will mean that the operator will be unable to make change and all passengers will be required to deposit the exact fare, as is the case with telephones, vending machines, parking meters and the like, a spokesman said.

The plan is being worked out in cooperation with Local 788 of the Amalgamated Transit Union, which represents Bi-State operators and maintenance workers.

Initial Use in Illinois

The transit system has been able to acquire enough locked-type boxes to inaugurate the initial step in the program about Feb. 1.

This will include all lines operating out of the Belleville and East St. Louis divisions and, in general, it will apply to all buses operating in the Illinois area. It is expected that construction of certain additional facilities required to make the plan operational will be completed at these divisions by that time.

In order to complete the program for the entire system, about 700 additional locked-type boxes, extra vaults and other equipment must be purchased at an estimated cost of about \$350,000, it was estimated. An application to the Department of Transportation for a federal grant to finance half of this cost is now pending.

It is hoped that the application will be approved in time for the additional boxes to be obtained to complete the program during 1969.

Issue Scrip in February

In the first 30 to 60 days after the plan goes into effect, passengers who do not have the exact change will be given scrip which can be later redeemed by mail.

It is believed, however, based on the experience of other cities, that transit riders will soon learn to have exact change and that it will help speed their bus ride, making the issuance of scrip no longer necessary, the spokesman commented.

The "Exact Fare Plan" is now in effect in more than a dozen major transit systems throughout the U. S., and reports are that it is working "very well" and is receiving good public support.

These other operations were able to adopt the plan within a short period of time since they already had locked-type boxes in service. However, the boxes used in Bi-State Transit's operation are of the registering type, which returns the money to the operator. Such boxes cannot be satisfactorily converted and the new locked-type boxes must be substituted for them.

Earlier steps aimed at reducing bus robberies, previously adopted by Bi-State Transit, were installation of two-way radios, construction of protective shields behind the bus operators' seat, use of plainclothes security guards on certain night runs, transfer of the sale of weekly passes from the buses to outside agencies, and the measures.

Loren Carroll, 78, Dies; Retired Painter

Loren Carroll, 78, of 31 Auburn drive, Belleville, a retired painter and member of the Painter's and Decorator's Union, Local 102 of Granite City, died at 5:30 a.m. yesterday at Christian Welfare Hospital in East St. Louis. He had been ill three weeks and hospitalized the entire length of time.

Mr. Carroll had resided in Belleville just four months, moving there from East St. Louis where he was a resident over 50 years. He was a native of Grayville, Ill. His wife, Elsie, died in May.

Survivors include a son, Ralph Young of Granite City; and one sister, Mrs. Bertha Bagby of Belleville.

Funeral arrangements are given in today's obituary column.
